

What is Asha

Who founded Asha?

Dr Kiran is an inspirational person who has worked in Asha for many years in the community of New Delhi. Her focus is helping people in the slums of New Delhi. In addition, Asha is improving life for the children in New Delhi by improving attitudes to education and improving school life.

Why have we chosen ASHA as our charity;

Their values are similar to our school values and learning behaviors. They believe in joy, ambition and positive thinking just as we do. Interestingly, ASHA also means hope in Hindi. Every year, staff from school go to visit the New Delhi slums. Around 6,000,000 people are living in poverty in New Delhi.

Where is Asha based?

New Delhi is the capital of India.
