16th April 2021

Issue: 26

Christian Value: Hope

Worship Theme: May the God of hope fill you with joy and peace (Roman 15:13)

It has been so lovely to have all the children back in school after the Easter Holidays. Although there has been a real chill in the air most mornings I have definitely enjoyed spending time on the playground in the sun. As all the spring bulbs, planted by Miss Parrott and her team, come into bloom it definitely makes me realise that summer is coming. We have had some more cheery news here at school, we are delighted that Mrs Lafferty will return on Monday and we are so happy to have seen Mrs Lakin and Miss Edwards back in school. All three ladies are really vital members of our school community whom we have missed greatly. Those of you who have children in 2KM will be delighted to hear that Miss Pearce has agreed to teach the class for the second half of the summer term when Miss Morley is on maternity leave.

This week we have all been working on positively reinforcing our behaviour expectations. The children have all had very different experiences over the holidays and lockdown so we have been working as a team to make sure our high standards of behaviour, which enable effective learning and good social development, are met by the children. I have been in several lessons this week and think the children are all doing so well. Thank you for supporting them.

I hope you all have a super weekend.

## Garden Challenge

Over the Easter weekend one of our Year 4 pupils challenged himself to spending 4 days without digital devices and sleeping overnight in the garden.

He has raised an amazing £600 for the Leicestershire Wildlife Hospital.

Well done what an amazing achievement, we are all very proud of you.

## Messages of Hope

This week we have delivered our children's Messages of Hope to Lloyds Pharmacy in the village. This has been a project backed by former Blue Peter presenter Radzi Chinyanganya and organised by Miss Lenton in which children were asked to create letters and pictures that will be popped into prescription bags and distributed to the vulnerable and elderly across the UK.

Our children wrote some amazingly caring and hopeful things and we hope they bring a smile to the faces of those who receive them.

A Message of hope from a child at Kibworth Primary School  
We are thinking of you and wish you health and happiness.  
We hope this brings you a smile!

## Captain Tom - 100 Friday 30th April - Monday 3rd May

We are pleased to say we will be supporting The Captain Tom Foundation by taking part in their new initiative over what would have been his 101st birthday weekend.

Captain Tom 100 invites everyone of all ages and abilities to dream up a challenge based around the number 100 and complete it in school on Friday 30 April or over Captain Tom's birthday weekend through to Bank Holiday Monday 3 May.

You can find out more by watching their Captain Tom 100 video [HERE](#) on their website

In school on Friday 30th April, we will be joining in with each class choosing a way to mark 100 and doing this activity together to mark this anniversary and celebrate the life of a man who brought so much joy to us all when the clouds were very dark last year.

We will also going to be raising money for our 'favourite charity'. The School Council will take ideas from the children and select a charity for us to donate too. We will send more information on our chosen charity and how to donate later.

As well as our activities in school you might want to organise your own Captain Tom 100 over the Bank Holiday weekend! All the Information on how to do this can be found on their website [HERE](#)
