

## School Newsletter

18th December 2020

Issue: 15

Christian Value: Peace

Learning Behaviour: Participation

Worship Theme: Advent

On this, the final day of the most extraordinary term, I wanted to express my thanks to you all for the support you have shown the school during what has been a very challenging time. The children have adapted brilliantly to the new routines and I am proud of them all! The staff have shown that they are absolutely determined to maintain our learning standards, keep the children as safe as possible and focus on the children's wellbeing. I do think they are a very special group of teachers and support staff, I hope they all have a well earned break. Thank you Team Kibworth.

Despite the restrictions still in place we have enjoyed the run up to Christmas with all children taking part in a Christmas decoration day, our annual Christmas jumper day, Christmas lunch, the virtual performances and Christmas parties. As you are well aware, Covid-19 has not gone away and our vigilance in maintaining safety around the school site will continue in January as it has done this term. The team here at school wish you all a very Merry Christmas and a Happy New Year and I look forward to seeing all the children back in school on Wednesday 6th January.

### Well done Darcey

Wow! Darcey has raised a whopping £400 by selling her 'Colour-me-in Christmas charity postcards.' She is donating all the money to The Alzheimer's Society. We could not be more proud of her and her efforts. Well done Darcey! Thanks to all who supported her.

### COVID-19 Procedures over the Christmas Holidays

Please book a test as soon as possible if your child develops symptoms to allow us to take the appropriate action.

Symptoms that develop between today (18th December) and Sunday (20th December) will result in school having to inform other parents of the need to isolate their children. This will be due to close contact within school

Please continue to report all positive cases to the School throughout the Christmas holidays via [covid@dsatkibworth.org](mailto:covid@dsatkibworth.org)

Within this email, please include the following information:

Date of positive test

Date symptoms started and nature of symptoms

Save the Children  
**CHRISTMAS JUMPER DAY**

How lucky we are to be so appreciated by our parents. The office Elves delivered all your kind gifts today. It took ages! The staff were delighted.

Thank you all so much.

## Christmas Performances

Many parents have written this year to thank the school for trying, whenever possible, to include as many traditions, as well as creative and fun activities whilst ensuring we all remain Covid secure. Today, everyone who has agreed with the conditions, should receive their child's age phase DVD. I had naively thought we would be able to avoid the usual battle for hall space but this has not been the case! Filming groups of children in Covid bubbles has certainly meant we needed the expertise of our technicians Chloe and Lee. We hope you and your families, especially if you cannot be together, enjoy the slightly different Christmas shows.
