

## School Newsletter

23rd April 2021

Issue: 27

Christian Value: Love

Worship Theme: Let all that you do be done with love (1 Corinthians 16:14)

This week I have really noticed that the children have begun to settle back into school life. It will definitely take a long time for all of us to regain confidence and resilience but I notice the 'Kibworth Buzz' is beginning to return.

This week the Children's Commissioner for England, Dame Rachel de Souza, is launching a once-in-a-generation review of children's lives. Next week I will be showing the children how they can take part in 'The Big Ask' – the largest ever consultation held with children.

In this survey, the Children's Commissioner is asking children what they think is important for their future. The Children's Commissioner will use what children and young people tell her to show the Government what they think and what they need to live happier lives.

It's an exciting opportunity to help the commissioner to think big and it's a chance for every child in England to have their voice heard. The survey only takes 5–10 mins and is designed to be completed at home, take a look [HERE](#)

For many of us, during the pandemic, digital technology has been an absolute lifeline but many parents are worried about internet safety and the impact of technology on their child's social development. This guide from Vodafone focusses on helping families live a happy and safe digital life. I hope it is useful. You can view a copy [HERE](#)

Have a lovely weekend and enjoy the sun.

This week's attendance superstars are:

**FSC 100%**  
**1H and 1RT 100%**  
**4W 100%**

This week's points totals are:

**Ireland = 678**  
**Morrison = 727**  
**Welton = 710**  
**Wilfrid = 703**

### Year 5 learn about all things Egyptian

It is just the start of the fun-filled and knowledge packed Year 5 topic Egypt. The children have made a fantastic start with their home learning. We have been amazed with their models, masks and maps!

**FREE KIDS AND ADULT SESSIONS**

### Reading Raffle

This week's winner is:

**Lara 5B**

### PE Stars

This week's winners were:

**Clodagh FSM**  
**Bea 4H**

## Captain Tom - 100 Friday 30th April

**CAPTAIN  
TOM 100**  
DO IT YOUR WAY

We are really pleased the School Council with Mr Narborough have taken on the arrangements for our in school Captain Tom 100's.

The School Council made a virtual assembly and challenged every year group to come up with a way of marking our 100's. After much discussion, the children have their 100's decided Each 100 will take place during the school day and we will report our success in the next edition.

### Our 100's

Foundation	100 skips
Year 1	100 sunflower seeds planted
Year 2	100 laps of the Y2 playground
Year 3	3B - 100 acts of kindness 3L - 100 minutes of silence 3S - 100 laps of Y3 playground
Year 4	100 laps of the Y4 block
Year 5	5S - Scoring 100 goals 5B - 100 star jumps 5P - 100 basketball hoops
Year 6	100 times 100m

We are also pleased to announce that The School Council have decided that we will be supporting The Woodland Trust through the completion of our 100's. They wanted to support an environmental charity and their work fits the bill perfectly. You can find information on the important work they do [HERE](#)

**To show your support for our 100's and make a donation  
visit our Just Giving page [HERE](#)**

24th-30th April

Year 6

**Amelie and Amelia**

Year 5

Year 4

**Lily and Eva**

Year 3

**Aitana, Phoebe and Stanley**

Year 2

Year 1

**Kaylun, Hana and Roman**

Foundation

**Bethany and Henry**

## Year 2 - Science Wriggle and Crawl

This term, Year 2 have been enjoying their science learning in our current topic called 'Wriggle and Crawl'.

Last week, the children set up a fair test experiment to try and find out what a bean needs to grow; in our classes we decided that they would probably need light, water and soil. For our experiment, we planted our first set of beans without soil, our second set of beans we gave no light, our third set of beans we are not going to water and our fourth set of beans we gave everything. The children have come up with some super predictions about what they think will happen but they need to be patient to find out.

For the last two weeks, we have also been really lucky to have some crawling visitors in our classrooms! Each class have been observing a group of caterpillars to see how they change over time and record this in their own diary. So far we have seen our baby caterpillars begin to grow because they have been eating their nutritious food and also build webs around themselves for protection. We are all very excited to see what will happen over the next few weeks!

Diary Dates

03.05.2021 - Bank Holiday Monday  
(school closed)

**DISCOVERY**  
Pupil Parliament  
Competition

**ONLINE SAFETY**  
POSTER DESIGN  
**COMPETITION**

Can you design a poster to promote online safety. You could give advice on safe use of apps or age restrictions, good online conduct or what to do if something makes you uncomfortable. Or any other ideas!

Entries no bigger than A3

All entries to class teachers by  
**Friday 28th May**
