Christian Value: Love Learning Behaviour: Initiative Worship Theme: Advent - The Jesse Tree

Now that we know we have been placed in Tier 3 we have reviewed our risk assessment again and reminded all the children about how they can stay as safe as possible. They have really

adapted well to the different learning and play environments. Mr K and his team have done a brilliant job in devising a range of games the children can play in their PE lessons. Please help us to stay safe by continuing to limit contact between children from different families.

Life at school has been very different for the children this term. We have tried to keep as many of our Christmas activities as possible but of course they will look very different. Next week we are holding our traditional decorations day but sadly we will not be able to invite parents into school or share a mince pie. We are going to record some of the children performing in their Christmas concerts and we are trying to find a way to hold Covid secure Christmas parties. Don't forget to book your child's choice for the Christmas dinners which are taking place over 2 days in the hall. Some parents have asked us to reconsider our decision not to allow Christmas cards in school...so we have! From Monday each of the year groups have a Christmas Card box within which children are welcome to place cards for their own year group. The boxes will be available until the 11th December and then handed out, in the last week of term, when they have been quarantined. So we hope we will all have a whole lot of fun!

Every day your child spends in school really matters.

Reading Raffle

This weeks winner is

Rowan in 4H

Well done Rowan!

Each Friday every child who has read 5 times during the previous 7 days will have their name entered into the class raffle.

Class winners are entered into the school draw and the lucky winner receives a £5 Amazon voucher.

Great Reading Sam!

We have found out why Sam is so brilliant! It's because he reads so much! Mrs Watson asked us to celebrate his completion of his Reading Passport in record time.

Great work! It was a doctor who once said "The more that you read, the more things you will know. The more that you learn, the more places you'll go." That was, of course, Dr Seuss in his wonderful book I Can Read with My Eyes Shut!

Jesse Tree Bauble Sewing Volunteers

Following our request for sewing help to make the baubles for our Jesse Trees, we received a great response from a wide section of parents, relations and our wonderful friends at St Wilfrid's church. We have been overwhelmed by the finished products.

The willingness of people to give up their time to make such amazing contributions has been much appreciated. Thank you. The finished baubles will now be displayed on each class's Jesse Tree as we lead up to Christmas. The children will be thrilled to see them brightening the classrooms.

School Nurse

If you have a concern that you think the school nurse may be able to help with such as toileting, sleep issues, concerns over child behaviour at home, anxiety or eating issues, you can contact South Leicestershire & Harborough Public (School) Nurses based at St Luke's hospital on

Year 1 Space Day

Uh-oh.. our good friend Zip Zap Zot has crashed his spaceship and doesn't know how to build a new one! Luckily, Year 1 were on hand to help.

Year 1 have been designers this week and have had to use all of their fabulous learning on instructions to help Zip Zap Zot fly home. We used cardboard tubes, paper, scissors and glue to help us design and construct a new spaceship. Once we were finished, we wrote Zip Zap Zot some brilliant instructions so that he could build his own and make his way back home. We have loved seeing the children bring lots of their learning together from this half term to show all that they have learnt.

THE WEEK Junior
12 DAYS OF Kindness

This Christmas might feel a little bit different than normal for many people. That's why the super children's magazine 'The Week' are encouraging children to join their 12 Days of Kindness challenge and help spread cheer and joy to friends, family and community throughout the festive season. Have a look at <https://ads.dennisnet.co.uk/subs/2020/TWJ/NOV/DM->

Lost Property

There are several items of "unnamed" sports/PE kit in lost property.

If your child is missing any clothing please email a description to the office and we will try and reunite them.
