

## School Newsletter

30th April 2021

Issue: 28

Christian Value: Respect Worship Theme: Do to others as you would have them do to you (Matthew 7:12)

It has been a real pleasure to watch all the children complete their Captain Tom 100 'Do it your way' challenges. Do have a look at the extra page on this week's newsletter to see how much fun the children had!

Mrs Dandolo now has a new role as our Diversity Champion. She is passionate about the role and has already led training for all our staff. We have also recently had some excellent staff training from Bennie Kara who wrote 'Diversity in schools'. Bennie was inspirational and has led us to review our curriculum and resources. Respect for diversity and identity is such an important aspect of learning. One of the really enjoyable activities we have done with all the children has been about personal heritage. It is a delight to hear the children sharing their stories with their classes.

You can view our Equality Statement [HERE](#)

It sets out the objectives we are working to achieve.

At school we will continue to ensure that respect for others is part of our school values and this extends to all aspects of our lives including on line. We very much appreciate that this is a difficult aspect for parents to continuously monitor at home. The Safer Internet Centre has tips, advice, guides and resources to help keep your child safe online. [Follow this link.](#)

I hope the sun continues to shine and you all have a lovely Bank Holiday Weekend.

*This week's attendance superstars are:*

**FSC 99%**  
**1H 100%**  
**3L 100%**

This week's points totals are:

**Ireland = 1504**  
**Morrison = 1489**  
**Welton = 1398**  
**Wilfrid = 1460**

### Kibworth Grand Prix

Year 5 Children; Sam, Arthur, Amy, Ayan and William have been taking part in an exciting project with Mrs Stone – building and racing Go Karts! The project began by learning about the structure and wind resistance of go karts by looking on You Tube at Soap Box Derby vehicles being raced in America. The project lasted every Friday for about 5 weeks until the group became Go Kart experts. On the sixth week the group recapped learning and then received a basic kit which they could then build on top of to construct the fastest track cart. The team members had to make lots of adjustments to make sure their carts were going to go really fast. Each driver got to choose a pusher from their class so Noah, Noah, Ollie, Corey and Maia were also involved in the project. It was a tight competition but everyone received a medal and Arthur and Noah were declared the winners. Arthur would really like to be an inventor so the project was incredibly useful. Report by Arthur B

### Reading Raffle

This week's winner is:

**Maya 3B**

Long hair must be tied back

Nail Varnish and lip balm are not allowed in school

Hand cream should only be used in school by children with a specific medical need.

I know you will all be very aware of the Covid crisis in India. We have been in contact with Dr Kiran and all our friends at our school charity ASHA in Seelampur, New Delhi, India. There is no supply of oxygen, food is scarce and the situation is quite desperate. Dr Kiran has posted a video appeal on You Tube <https://www.youtube.com/watch?v=Xn0xAKXmlaI>

The Asha ambassadors are continuing to go out every day helping the thousands suffering in this area.

If you can help in any small way it would be so appreciated at this time, as Asha is investing all of it's resources into providing masks, food parcels and searching for oxygen tanks.

You can donate directly by going to <https://www.justgiving.com/friendsofasha>

Year 6

**Freddie and Sophia**

Year 5

**Saphora and Thomas**

Year 4

**Jaiden and Astrid**

Year 3

**Ben**

Year 2

**Evie and JJ**

Year 1

**Thomas and Tyler**

**Foundation**

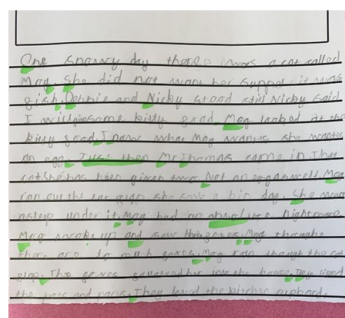

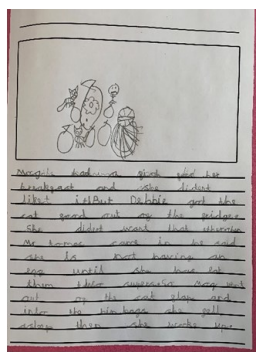

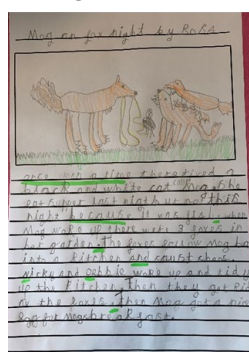

**Seb, Seth, Elizabeth and Sienna**

## Year 1 weekly news

As part of our Summer 1 and 2 topic – Paws, Claws and Whiskers (PCWs) the children have been looking at the text “Mog on fox night”. We started our literacy journey by reading the story and answering some key questions about what happened. Then we created a storyboard and broke the story down into x3 parts – the beginning, middle and end. We then spent time using and applying our Year 1 key skills to sequence sentences to form the narrative. The children really enjoyed learning this story and finding out all about Mog.

In Science the children have been learning all about the different animal groups and what animals need to have to fit into the different groups.

The Year 1 teachers have loved finding out about all of the children's favourite animals and we have seen some super work done at home through videos on Tapestry for homework.

## Diary Dates

03.05.2021 - Bank Holiday Monday  
(school closed)

## PE Stars

This week's winners were:

**Mohamad FSDT**  
**Archie 3B**

## EYFS Live!

### 2021 Virtual Induction Evening

You are invited to join Katherine Cartwright and her team on  
**Thursday 20th May - 4pm or 6pm**

for a virtual induction meeting. Join us to find out about how Foundation Stage at our school works and the next steps on the journey of your child joining our school and answer any questions you may have about this exciting period for you and your child.

An information/induction pack which will be delivered to your home address prior to the meeting.

## Parent survey

On Tuesday 4th May, we will be sending the link to our parents and carers survey. We believe strongly in continuous improvement and want to provide the best education we can for your child. The survey will be open until the 18th May and we would like as many parents and carers as possible to complete the survey. Look out for the link coming on Tuesday.

# Captain Tom - 100

## Friday 30th April

**CAPTAIN  
TOM 100**  
**DO IT YOUR WAY**

We have had a great time completing our 100's! Thank you for all your support.
