

It continues to be a busy, busy time at school, thank you for your terrific support to us all. The kind words, lovely presents and the emails you send are greatly appreciated by our staff.

Earlier this week, the government suggested that primary schools in England could change the date of one of their teacher days and close school early this term. After discussion with TKS and Fleckney Primary we have all decided to keep to our published dates in order to minimise inconvenience to all.

I was really inspired today when Miss Cornish sent me a photograph of a poster Carys in Year 6 had shown her about Farmvention. They are running a brilliant competition with a host of amazing prizes. In fact all entrants will become certified 'farmventors' and receive a reward pack including a certificate and mini prize. The Challenge is to create an invention or idea to help British farmers continue to care for the environment and become Climate Super Heroes. Many children at school are really serious about taking care of the environment so I thought I would include this link in the newsletter. View it [HERE](#)

To finish I thought I would send this link to a beautiful Advent and Christmas message from The Very Revd David Monteith, Dean of Leicester, on the theme of 'Comfort and Joy'. You can view it [HERE](#)

Mrs Anderson's last Christmas at KPS

Mrs Anderson has been an amazing friend to the school over the 20+ years she has worked here. She has just about covered every role including being a governor, teaching assistant, cleaner and leading the lunchtime team.

Everyone at school will be sad to see her retire at the end of this term but we hope very much that we will see her again very soon.

Thank you Jane, you have been brilliant!

Christmas performances

Children across the school have really enjoyed taking part in their Christmas celebration performances.

Although it has been tricky, we thought you would all enjoy seeing how much the children have enjoyed this strange pre Christmas period. Huge thanks to Lee and Chloe, our ICT Technicians for filming all the children in small groups and performing the Herculean task of editing the snippets together.

Please remember that you must access the electronic form on your Parentmail account and accept the conditions before we can send the DVDs home.

If this is difficult please phone the school office so that the Christmas Elves can help you!

Christingle

Shine your light this Christmas

We have been notified by St Wilfrids that the Christingle service is now at maximum capacity (great news!!) and therefore people are no longer able to book on the church website. Don't worry ... everyone is welcome to go to their YouTube channel and watch the Christingle at home from 4pm on Sunday.

Thank you Kibworth Easy Riders!

Kibworth Easy Riders have been busy collecting donations of children's bikes, and as a club have used their bike maintenance skills to tidy them up, and give them away as Christmas presents to children in the local area. We were delighted to receive 5 sparkling bikes which have been given out to those who requested them. Thanks also to the KPA

who have funded helmets and locks for each of the bikes. A great community effort!
