Christian Value: Respect Learning Behaviour: Pride Worship Theme: God's Wisdom

The summer term is a fantastic time of year in school in so many ways but there are pressures and strains too. In particular, we will be thinking and praying for all our pupils involved in national tests over the coming weeks. They have all worked so hard, it is a real chance for them to let their light shine. The staff will continue to provide support and encouragement for them all.

At school we continue to develop our partnership with ASHA. As you all know, a large group of DSAT staff, including Miss Hancock visited New Delhi in October. They were all so moved by Dr Kiren's commitment to improving lives of the people of the slums that they returned determined to raise even more money for ASHA to support the hard work and incredible staff to continue to make a difference. On the 1st June Miss Hancock, Miss Wright, Miss Pepper and Miss Lenton are climbing mount Snowdon all in aid of ASHA. The climb has been organised by Miss Simmons who many of you will remember very fondly from her time in our EYFS. If you would like to support their brave and strenuous commitment to this fantastic charity they have created a Just Giving page.

Children are awarded House Points for effort, achievement and kindness to others. This week's points totals are

Welton = 966
Morrison = 666
Wilfrid = 861
Ireland = 782

At KPS we believe that good manners are essential and the teaching of these is at the centre of our curriculum. This week **2W, 3AB** and **3MR** have been recognised as having the best manners in school.

Every day your child spends in school really matters. This week's attendance superstars are:

3AB & 5P with 100%

Introduction of Junior Road Safety Officers

We have lucky to have a new group of Junior Road Safety Officers in school. Ollie in Y4 is very excited about this role and has taken it extremely seriously so far. He said that after talking with Tom Chape from Leicestershire County Council about road safety and the role, the Junior Road Safety Officers then completed a travel survey of how children and staff travel to school. They had to visit all of the classes - Ollie and his group visited EYFS and KS1. Ollie loved being a part of this and is looking forward to developing road safety awareness in our school.

Weekly Reminder

- ⇒ **Lost property**– if your child has lost their glasses it's worth checking with the office as they have acquired several pairs recently.
- ⇒ **We have received a number of calls** from disgruntled residents of The Tithings/St Wilfrids Close regarding parking before and after school. Please can we ask again that you use the Grammar School Hall car park at these times.

Foundation Stage—Visit to St Wilfrids

This week foundation went on visit to church to learn more about what happens there. After walking very sensibly to the church, the afternoon began with a song. The children then listened very carefully to a story about a lost sheep. This then led onto the next activity which entailed reading clues to find sheep hidden in the church. We found some in the font, some in the stained-glass windows and one was even hiding in the organ! After we had found all the lost sheep we then sat and said a prayer and sang another song. The children were then given an opportunity to ask anything they wanted to know about the church and there were some thoughtful and sensible questions asked. A good afternoon was had by all and this was a lovely and exciting introduction into the special partnership school has with the church. Thank you to Meg and Gill for making this an enjoyable afternoon for the children.

It's been the first week of some new after school clubs including cricket, fencing, athletics and tennis. The Kibworth Tennis Club are running a brilliant KS1 tennis club with great coaches and the children seem to enjoy it.

We also had a busy athletics club and the children were put through their paces during "sprinting" week. Finally, there are still spaces in our years 5/6 fencing club, KS2 cricket and KS1 tennis. Please ask at the office if you're interested.

This Sunday, some of our staff members and parents are representing Kibworth Primary School at a Parents & Teachers Charity Football tournament supporting SLPSFA & HTFC. If you would like to support our team and take part in a nice family event, please join us at Market Harborough Football Club starting 12:00. We are all looking forward to it.
