Wow! What an amazing production the children in Year 3 and 4 put on for us all to enjoy this week. The singing, dancing and acting were amazing, a real ensemble performance which made us all tap our feet and smile. A super way to end the term. We are so lucky to have such enthusiastic teachers and teaching assistants at the school. They really do go the extra mile to encourage the children to attain a really high standard. Thank you all for your terrific support, we had great audiences for every performance and received very generous donations, Thank you!

This week I received a letter from John Barker, Director of Music, at Leicester Grammar School. He wanted to pass on his appreciation of our wonderful choir who had contributed to making music along with 250 others last Friday evening! Miss Wright does an amazing job and the choir parents must be thanked for ferrying their children around to different venues. Mr Barker said he was 'bowled over' with the children's amazing effort, passion and commitment!

Some of our Year 5 boys had a fantastic opportunity last Saturday. As part of their rugby club (South Leicester) they were invited to the Tigers vs Exeter match. This resulted in some of them being flag bearers, whilst the others played in a match at half time on the pitch. I spotted the boys from my seat, they were playing brilliantly! Well done George A and George S, Fraser, Rowan, Joe, Gabriel and Ryan.

I do hope everyone has a super Easter Holiday and enjoys this special family time.

Year 4 have put on a spectacular performance this week. The children have grown in confidence throughout our practices and were raring to go with clear, loud voices during our dress rehearsal to the school on Monday, finishing on Wednesday evening with an absolutely stunning final performance. With the help of Year 3, the singing was brilliant and the actions brought it all alive. The costumes, mostly thanks to Mrs Spencer, meant we looked like a professional cast! The children worked extremely hard to perfect facing the front, speaking slowly and acting whenever they were on the stage. Because of the excellent delivery, everyone heard the jokes and laughed in the right places! Thank you to all who came to support us and helped source props and costumes.

The Year 4 team!

Mya in Year 4 tells us about her experience of being in the Year 3 and 4 production – 'Splash'. Being in the show was exciting and a bit nervous because there were a lot of people in the audience. I almost felt like I was going to run off the stage but I didn't because I felt confident in myself. I learnt about expression and actions when I was acting and also about speaking loudly so people could hear me from the back

of the hall. The hardest part of being in the play was remembering my lines and the most fun was the singing because I like singing and it makes me feel happy and relaxed.

On 4th April, the year 3/4 Tag Rugby team took the trip to Market Harborough Rugby club for the District competition against 15 other schools. Despite the dreadful weather, our team won their group. After breezing through to the final, Kibworth showed great teamwork and determination to come back from behind to win the final 3-2, scoring after the last play whistle was blown.

Mr Norton

Well done to the year 5/6 tag rugby team, who finished second in a tournament held at Market Harborough Rugby Club on 5th April. The team finished with a very good record of 5 wins and one loss, beating the eventual winners, and finishing runners up, only separated by try difference. Despite the disappointment of not quite bringing home the trophy, exemplary sportsmanship was shown throughout, by the entire team.

Mr Campton

Also on Friday, some of our children had a privilege to play a short game of basketball during half time of Leicester Riders vs London City. It was a fantastic experience and a great way of rewarding them for their sporting achievement this year. After the game the children had the chance to meet the Riders players.

Mr Kostecki

Our Year 6 girls netball team competed at Robert Smyth this Tuesday afternoon in their first tournament of the year. With very little experience in playing full games, we won two of our matches with great shooting from Ruby, May and Amelie and some fantastic defensive interceptions from Harriet, Amrit and Natalia. Our girls came 6th out of 11 teams and should be very proud of themselves.
