WOW! Our brilliant KPA team raised over £1,500 at the Summer Fayre last Saturday. It was a really great event with lots to do, prizes to win and first class refreshments. It was lovely to welcome so many visitors and enjoy being part of the Kibworth community. Huge thanks to all who

attended and to all the parents and staff who volunteered and helped make it such a special day.

One person who couldn't make the fayre was lovely Miss Morris who works in Foundation. She was busy... getting married! She looked absolutely beautiful and we wish Lauren and Andres a wonderful future together. Miss Morris is now Mrs Lopez.

On Tuesday, Miss Wright, Miss Hancock and our music and dance teachers celebrated 'Creative Kibworth'. The choir, dance troupes and musicians entertained us all. I was so proud to see so much talent and the children working together to create such uplifting performances. As an added bonus, Miss Hancock's mum and Mrs Sharp provided delicious home made refreshments. We are so lucky to have such a great team!

Talking of teamwork... we are all in agreement 'Robin Hood and the Sherwood Hoodies' was a brilliant production. Hats off to our talented singers, actors and dancers. It was a hilarious toe tapping riot enjoyed by everyone. It becomes quite emotional at this time of year when we begin the process of saying good-bye to the children in Year 6. This will be a performance that will always remind us of this particularly fun loving, creative and caring group.

This week we were moderated by Leicestershire County Council for our Year 6 writing. It was a pleasure to show the visitors the terrific standard children in all three classes had achieved. The final result was that 99% of our children were at or above the National Standard. Kibworth's best ever result in writing.

Children are awarded House Points for effort, achievement and kindness to others. This week's points totals are

Welton = 1193

Morrison = 967

Wilfrid = 1188

Ireland = 1407

At KPS we believe that good manners are essential and the teaching of these is at the centre of our curriculum. This week

1H and **3AB** have been recognised as having the best manners in school.

Every day your child spends in school really matters. This week's attendance superstars are:

4N with 100%

- All clubs have now stopped except Tiger Club.
- Please remember that for safety reasons our car park is only for use by staff until 4:30pm. Please do not drive into the car park in the mornings. The speed limit in the car park at all times is 5mph.
- Our open afternoon on Monday 8th July will take place from 3:30—6:00pm. It is a great chance to say goodbye to your child's current teacher and to meet their new teacher.

On Wednesday 10th July, year 3 will be having a fund-raising day for 'Save the Elephants'. We are doing this because the elephant population is rapidly decreasing due to poachers, farmers and habitat loss. There will be an animal themed dress down day with an optional fancy dress competition. You can just dress the same colour as an animal for example blue for dolphin or green for crocodile. We are asking everyone to kindly donate £1 to take part. There will be a bake sale with lots of delicious cakes for 50p each. There will also be a variety of games like pin the trunk on the elephant, a blindfolded art competition, guess the teddy's name and much more for 20p a go! There will also be an art competition, which is free to enter, where you will draw your best elephant picture and the best one will win a prize. The money donated will support the elephant population by protecting them and helping them live in harmony with people. By Roman and Henry

Year 2 have incorporated drama into their learning in English this week. This is what Jason in year 2 told us.

...We had a challenge from Captain Blackbeard this week in English. He asked us to sail to Africa and tell him what it was like there as he was too old to do it. He wanted to know more about the world. In our classes, we got in lines. Some children sat on chairs and some sat on the carpet. We sailed to Africa using our arms to sail. We had to look carefully so we could tell Captain Blackbeard what we saw. We wrote a letter to tell him what saw. I saw a tiger, a cheetah and a crocodile. This was the most fun English! I loved the sailing and I loved the writing! My writing is getting better with help from Miss Wright.

THANK YOU

School Council would like to thank the KPA on behalf of all of the children for the fantastic playground markings. We all love them and they are great fun- in particular the times tables one!

**Please remember
all the discos are
ticket only.**

Diary Dates

- 01.07.2019** - Clubs stop for the rest of term
- 03 & 04.07.2019** - Y6 Heroes and Choices @ St Wilfrids

- 11.07.2019** - Yr 6 Leavers Service at St Wilfrids Church
- 12.07.2019** - Last day of term

Sports week was a great success. It was super to watch all the children being active all week and taking part in lots of different sports. We were very fortunate to be able to send some children to local sports clubs for tennis and bowling sessions. We also had some visitors providing children with opportunities to try out new sports such as dance, volleyball, archery and zorb football which was probably the highlight of the week. On Wednesday 26th Yr 4 children attended the mini Olympics at Robert Smyth and returned with a terrific haul of medals including golds for Olivia, Harry and Sam. Kibworth staff members have many skills of their own and were able to teach children a range of activities which are not normally taught during PE lessons - golf, ballet and badminton. Sports Day results will be in next weeks newsletter.
