

## School Newsletter

3rd May 2019

Issue: 25

Christian Value: Respect   Learning Behaviour: Pride   Worship Theme: God's Wisdom

Welcome back to the Summer Term! We are in for a busy time with lots of events, shows, trips and SATs. Over the break I looked back over all the tweets our staff have posted over the year. Twitter really is a brilliant way of finding out about all the exciting learning that is going on in the school. Do have a look @KibPrimary.

Y6 will be starting their SATs on the 13th May. Please make sure they have a good night's sleep and arrive at school on time - Thank you! This month our Christian value is 'Respect'. On Monday one of the children said to me 'If you respect others they will respect you back'. Later in the morning Mrs Spencer told me how proud she was when a Year 2 child, in his uniform, held the door open for her at the shop. It always makes me smile when we share our respect for each other. As always members of the Senior Leadership Team are available on the playgrounds or front gate each morning, if you have anything you would like to discuss with them.

This week we welcome two people who are joining our school staff.

Mrs Molloy who will be teaching in year 4. We also welcome Mrs Davidson who will be working part time in year 5. We hope they enjoy their time with us.

This week year 3 have been learning about poetry based around their Predator topic

### SHARK

by Freddie

Silent as a ninja with teeth as sharp as swords,  
He isn't awarded a halo, he deserves horns,  
As evil as a demon, he's on a roll,  
Razor teeth you won't make it out whole,  
King of the seas with a shout that goes RAAR, he bites his prey as swift as a car.

Children are awarded House Points for effort, achievement and kindness to others. This week's points totals are

**Welton = 627**  
**Morrison = 511**  
**Wilfrid = 601**  
**Ireland = 565**

At KPS we believe that good manners are essential and the teaching of these is at the centre of our curriculum. This week **1H** and **3AB** have been recognised as having the best manners in school.

Every day your child spends in school really matters. This week's attendance superstars are:

**3AB, 3MR, 3NB, 4H & 6H**  
**all with 100%**

## Weekly Reminder

Our cloakrooms are really small which makes them difficult to keep tidy and for children to have a space to hang up their coats and PE kits. Lots of children have started to bring in large backpacks, which makes it very difficult for other children to get to their pegs. Please help us by providing a bag which is suitable for the size of our cloakrooms. Thank you!

## Year 1 Zoo Visit

On Tuesday 30th April Year One went to Twycross Zoo and we had lots of fun. We learnt about what a habitat was and different animals that might live in these habitats. We then saw lots of different animals such as flamingos, zebras and monkeys.

Billy in 1H has written a little recount:

On Tuesday we went to Twycross Zoo. In the morning we were very busy learning about animals and their habitats. We learnt that bearded dragons live in the desert and they have scaly skin to protect them. We even got to stroke Alice and she felt very rough.

Thank you to all our volunteers and the zoo staff for a fantastic day.

Love to learn is a new section of our newsletter. This week, Louie from Year 3 tells us all about his music lessons. "In music, we are learning Samba. Miss Binczik puts us in places with instruments. Miss Binczik asks us... 'what would you like for tea tonight?' and we have to clap the answer or do the instrument to it. The answers are 'fish and chips,' 'sausage and chips,' or 'I like custard in my underpants!' When we are doing the beats (to the words), we have to get them right and have to copy the beats with the instruments or by clapping. It's good because we get to swap and all have a go at different instruments. My favourite is the big drum because it makes the most noise! Samba is one of the best things we have done in class and I love it!"

Raffle Co-ordinator Vacancy

The raffles are an integral part of our fundraising. Would you be able to take on the role?

Sending communications out to local business asking for raffle donations. Ordering the raffle tickets from the printer and finalising artwork and proofing. Organising the 600 envelopes of tickets to go out to each school child. Managing the stall on the day of the Summer and Christmas Fairs. Organising the distribution of prizes to winners.

The KPA would like to take this opportunity to thank Vicky (current co-ordinator) for all of her hard work to date. If you feel that you can help us and be our new Raffle Co-ordinator please email us at [kibworthparentsassociation@hotmail.com](mailto:kibworthparentsassociation@hotmail.com)

As a school we would like to promote active travel and healthy lifestyle. On the last week of term 20-24th May is National walk to school week.

We would like to encourage as many children as possible to walk to school on that week. During this week we are also signing up to support "Happy shoesday" (21/05/19) and help raise funds for Living Streets. It would be fantastic if you could encourage your children to **wear their happy shoes** and **walk to school** on the day and **collect a suggested donation of £1** towards our charitable work to create safer streets for all.

We are very excited about our wide offer of afterschool clubs which are starting next week. We still have spaces available in KS2 cricket and year 5/6 fencing. If your child is interested in any of these clubs, please speak to the school office.

After a successful district Tag Rugby tournament where our year 3/4 team won out of 16 other schools, we took a trip to Vipers Rugby club to play the area final against Blaby Stokes Primary School.

Despite the miserable weather, the children played with huge smiles on their faces and enjoyed every moment with all the parents watching on. Unfortunately the result did not go our way, however it was a very close match with lots of tries scored. Well done again to the team!
