Christian Value: Kindness Learning Behaviour: Attentiveness Worship Theme: What is Prayer?

Welcome back to the final part of the summer term. Although there is still much to do we are really looking forward to this half term and all the fun events that it brings.

We have started the term with Year 2 and 3 taking part in Prayer Spaces. This is an excellent opportunity for our children to visit St Wilfrids and learn more about the power of prayer. The children have taken part in some fantastic activities, which have been organised by Gill and her team of volunteers at the church and we are very grateful for the time they give to allow the children to learn more about quiet contemplation.

Year 3 have had a busy week, as they have also had an exciting visit from Party Animals so they could meet some of the predators they have been learning about in their topic. They had a close up view of snakes, spiders and even a racoon. The excitement and sense of wonder the children showed was a joy to see and the questions they had prepared showed a good knowledge of animals and their food chains.

Finally, as we head to the summer fayre, I am pleased to inform you that our hard working KPA have agreed to brighten up our playgrounds by providing the money for some new markings on all our playgrounds. The teachers have been very excited choosing the designs. This is possible due to their hard work and your excellent support of events. Details for the Summer Fayre on the back page.

Children are awarded House Points for effort, achievement and kindness to others. This week's points totals are

Welton = 426
Morrison = 216
Wilfrid = 336
Ireland = 426

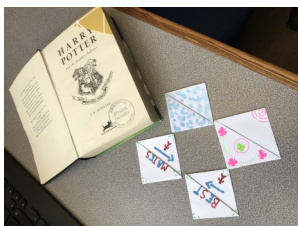

At KPS we believe that good manners are essential and the teaching of these is at the centre of our curriculum. This week **1H** and **3NB** have been recognised as having the best manners in school.

Every day your child spends in school really matters. This week's attendance superstars are:

2W with 100%
4W with 100%
5C with 100%

Bookmarks Sale **MACMILLAN** in aid of **CANCER SUPPORT**

Some of our Year 6 pupils have spent their Half Term making and decorating bookmarks that they will be selling to raise money for this excellent cause.

Erin and Paige will be selling them in the library at breaktimes next week. Bookmarks cost **20p** and come in a wide range of designs including some limited editions

Weekly Reminders

- ⇒ Brush off your best jumper, plait your hair! Class photos will take place on Friday 14th June
- ⇒ As we head towards the end of term, please make sure that dinner balances are being paid regularly and are ready to be a zero balance for the end of term.

Year 5 - Egyptians

To express our learning about Ancient Egyptians, we made board games. They included questions and facts about the Egyptians and they were based on real board games (for example, Monopoly and frustration). All of them were successful and playable - they were really fun to make! To get there, we had to plan out the format and content. In addition, we had to write our own game rules that could be followed by the people who played it. Our board games had to include: questions, a dice, counters, facts and chance cards. At the end of the day, we invited parents in, who we knew would be impressed, to come and play the fabulous games. Overall, we would rate the topic 10/10 because, as well as being a bit gross, it has been fun! Our favourite part was the Egyptian party which included wafting snakes, pin the tail on the sphinx and wrapping each other up as mummies (in fake linen!).

Sex and Relationships Policy Consultation

Following a change in Government legislation, all schools have to update their Sex and Relationships policy. As part of this process there is an opportunity for a parental consultation on the new policy. We have uploaded the draft policy to our website for you to view.

Friday 21st June

Dress down day
donations of cakes or cookies (homemade or shop bought) NO NUTS PLEASE

Save the date!

School Disco

Thursday 4th July 2019

This week year 5/6 chose a lovely sunny day to attend the Leicestershire Schools Kwik Cricket contest. There were 12 teams competing from around the Market Harborough district.

Our school had a very successful tournament, eventually winning the whole event! The best performance of the day was in the semi-final when, after only scoring 11 runs, we managed to take 14 wickets to win against all odds! This led to a comfortable win in the final after a brilliant team performance. Well Done team. **Mr Norton**
