

It has been a week of good news and hope at school. Our table tennis team won our first sports trophy of the year quickly followed by our staff netball team. Clubs started and it was exciting to see the children's enthusiasm, I really enjoyed running Readaholics!

We have also had fun discussing our new motto 'Let your light shine' across the school. We have had lots of brilliant ideas from the children and many of them have created art work at home which we will find a special place to display in school.

The Year 6 assembly really gave me goosebumps! When children advocate change and you know they are right it really inspires action. The children focussed on our September value ; Hope. They talked, with great knowledge, about their own personal hope and that of their families and community. But it was their understanding of hope for the world which was so impressive. They explained how famous figures like Rosa Parks, Nelson Mandela and Greta Thunberg show how one person really can change our world. I was amazed by their passion and understanding of how the choices we individually make impact on the whole world.

I really value the effective communication with parents which characterises our school. Many parents offer constructive suggestions which we find useful. However, this term there have been a couple of occasions when parents have behaved in an unreasonable manner when raising concerns. The consequences are that their actions impact negatively on the overall well-being of the children or staff in the school. So please could I ask all parents to be courteous and polite. We are always happy to talk about any concerns and find making an appointment gives time for a discussion.

Kibworth Mental Health and Wellbeing Fund Sponsored Fun Run

Wow! What a response.

Thank you so much we have raised an amazing **£1500**, with money still coming in! We will be using the money to deliver 'Friends for Life' — the worlds leading programme for building resilience and managing anxiety in children ,which we will launch in the Spring Term.

Children are awarded House Points for effort, achievement and kindness to others. This week's points totals are

Welton = 1232

Morrison = 1112

Wilfrid = 1109

Ireland = 1496

At KPS we believe that good manners are essential and the teaching of these is at the centre of our curriculum. This week **2M** and **5P** have been recognised as having the best manners in school.

Every day your child spends in school really matters. This week's attendance superstars are:

2W with 100%

Weekly Reminders

- ⇒ Please avoid parking in Hillcrest Avenue on Monday morning, as the Year 6 residential will be departing with 2 buses
- ⇒ If you haven't already, please can you return your child's Data Collection sheets to the office.

Foundation Stage - New Beginnings

The children have settled extremely well into Foundation stage and we would like to thank the parents for all their support during the first few weeks of their child's school journey.

A further thank you to all the parents who attended the Phonics evening last week. We hope the information given has provided you with a clearer idea of the learning that takes place in EYFS and how invaluable your support is at home is for your child.

The children have been learning all about themselves and really enjoyed painting self portraits. All of the children are extremely excited about 'people who help us' in our community coming in to visit us over the next couple of weeks.

Happy Birthday!

We are tasting pizza and food for our lesson. I love both pizzas because one's spicy and the other cheesy, YUM! I feel happy because I got to try different toppings. My favourite was cheese and pepperoni. **Harmony (Yr 3)**

I love learning this week because we have been learning how to make pizzas. We tasted little bits of cold pizza they were cheesy & yummy! I like how it tasted, my favourite was cheese because I don't like pepperoni and pizza is good for you. **Evangeline (Yr 3)**

Parent volunteers welcome

On the 24th September a few of our children entered the first competition of a school year. It was also the first time for our school entering a table tennis tournament. Our boys were brilliant as always, showing great sportsmanship and respect to their opposition. Kibworth athletes are so talented and skilled that without any practice and preparation managed to win whole tournament overcoming 11 other teams. Well done Kibworth team. **Mr Kostecki**

This week our very own Kibworth teachers took part in a workplace Netball tournament. They successfully won every game that they played whilst showing great sportsmanship along the way. They came first out of 11 teams. Congratulations!
