I walked into my office this morning and saw a letter on my desk I opened it to see this lovely card and bookmark from the Random Acts of Kindness Facebook group.

It has been a long week and this lovely gesture of kindness gave me a real boost and helped me through the day. Thank you! It reminded me of one of our sayings at school; In a world where you can be anything be kind. How true!

It has been an absolute delight to see our EYFS children back in school this week. I don't think we realised just how much we had missed them all until we heard their voices, watched them skipping and saw their smiles. We have all had a lot to learn, alter, change and re plan but it has been a successful two days. A huge part of the successful reintegration to school for those in EYFS who have chosen to come back has been the positive messages the parents have given the children. They all knew about our small working groups or bubbles and they knew the basics of social distancing – even if they needed a lot of reminders! Thank you for all your efforts – it has been much appreciated. We have met a few problems but by working together have managed to solve any issues so far raised. We now look forward to welcoming some of the Year 1 children back next week.
