Christian Value: Hope Learning Behaviour: Drive Worship Theme: Growing together in a growing world—Harvest

Now that the changes to the organisation of the school day have been embedded, we would like to thank all parents/ carers for your help and patience with this. We know it can be difficult for parents not being able to speak to class teachers as often as you

would like but your continued support is very much appreciated.

We have been working over the last few weeks to arrange Virtual Parent Meetings to allow you the opportunity to meet class teachers and discuss your child's progress. We are now in a position to organise these after half term and we will be sending information very shortly to explain how this will work.

Last week we undertook a KS2 trial of our remote learning strategy with TEAMS. This was very successful in the main and has identified a couple of issues, which we are working to resolve and will update you on as soon as we can to ensure that we could keep continuity of learning. Before half term, we will be undertaking a similar remote learning trial with KS1. If you could support this with the children we would be very grateful as it allows us to test our systems so we can ensure continuity in learning for children in the event of having to return to learning remotely for any reason. Again thank you for all your support. Take care and have a lovely weekend.

Every day your child spends in school really matters.

This week's attendance superstars are:

Ladybirds with 99%
1H and 1RT with 100%
4H and 5B with 100%

Discovery Live

On Wednesday 14th October 2020 you can hear directly from our Director of Primary Education, David Briggs and Jo Stone, Online Learning Lead Professional as they discuss and explain 'The Role of IT in Today's Learning Environment'. This is a LIVE via Microsoft Teams event and will include a Q and A session for parents. Details are available on our website.

Just a reminder that the last day of term is

Thursday 15th October.
School will re-open on
Monday 26th October.

Values Badges

If your child completed their Values Passport during lockdown and needs to collect their badges please could they bring in their passports on Monday next week. We will have them ready for collection by the end of the week. Thank you!

HOPE

The Virtual 5K Challenge.

The South Leicestershire School Sports Partnership Virtual 5K challenge was really popular. In total 4,097 young people got involved from 28 primary schools and 6 secondary schools which is

absolutely amazing! Pupils ran a total of 1,980km which is the equivalent of running from London to Rome!! We were delighted to learn that Kibworth had won first place in each of the KS2 categories.

Go Kibworth!

Year 5—Interactive History Day

All of year 5 thoroughly enjoyed themselves on Thursday as we had Jed and James from 'Up AN' AT 'EM' come into school to provide us with lots of exciting and hands on sessions all about our Tudor topic.

The most enjoyable part of the day was the 'big finale'. In this session, 2 children were elected as kings (Henry and Francis). Corey, who was King Henry, thought acting as King Henry was extremely amusing.

After that, Tudor skills were shown and there was even a sword fight between two children! Jousting took place next and we were shown the skills needed to be a champion jouster. We learnt that if you managed to knock your opposition of their horse you get 3 points.

The best part was the teachers' battle. Miss Parrott and Miss Baker were first, but there were complaints from the audience that it looked more like they were tickling each other. Mr Swingler had a turn against Miss Parrott afterwards and like a coward, she ran out of the ring!

Overall, it was a brilliant day!

Lola Braves the Shave!

Lola in 6C has had her hair shaved off to raise money for Macmillan. Across the UK thousands of incredible people are braving the shave to help Macmillan support people living with cancer. Lola was inspired to join the shavers when she spotted an advert on the television. She decided to just 'go for it' and with the help of her mum she managed to raise £898. Wow! Lola can't believe how much support she has received. She loves her new hairstyle and so do we!

In this strange and challenging year, we have not been able to visit St Wilfrid's Church to celebrate the season and to leave our gifts of food. The church suggested that we make some special cards for local people and Alison and Lucy at Tiger Club took up the challenge. We think the beautiful cards the children at the club produced will really brighten up someone's day.

We will be having our own Harvest Worship in school on Monday when Rev. Andy from the Methodist Church joins us to talk

about how many people we need to thank for the wonderful food we enjoy in our country. In fact I think Rev Andy has been baking!
