In worship, remember to include:

Gathering

Is the room 'ready for worship?' Does everyone know what they should be doing? Was there a greeting which made everyone feel welcome? Did this reflect Anglican liturgy?

Engaging

How was God's message shared? What strategies were used? Did they engage all pupils? Was the message distinctively Christian?

Responding

Was singing or prayer or reflection time used? Was there a practical response and how was this encouraged? Was there enough time for responding? Did pupils respond appropriately?

Sending

How did people leave worship – singing? silently? Were there special words of blessing or dismissal (eg Anglican liturgy)? Did this work well?

Please include The Peace at the end of every worship.

Responses - The Peace

In the Peace we share with each other an important value of our community.

There are many ways of doing this, usually people shake hands but you could try:

- a silent 'hi-5'
- 'making a sign (a cross) on each others' palms

... as we do this we say 'Peace be with you'.
