

# School Newsletter

18th June 2021

Issue: 34

Christian Value: Hope

Worship Theme: The Perseverance of Paul

What a disappointment that the sun has gone! We are really hoping it will return for next week's Sports Week! This week I can begin by spreading some exceedingly good news. Congratulations to Miss Morley and Mr Poli on the birth of their daughter Ella

Rose who was born on Friday 11th June weighing 6lb 12oz. Miss Morley sent this beautiful picture of Ella with the gorgeous rabbit the 2KM parents gave her.

We were really disappointed to have to change our induction meetings for our new EYFS children this week. We have managed to arrange new meetings over the next two weeks so all our new starters will have a chance to meet the EYFS staff. The High Schools have also had to cancel or change their transition days. We are working with Kibworth Mead to try to arrange an online induction. Fortunately Mr Wilkinson has met most of our fabulous Year 6 children so he knows what to expect!

Please could I ask that all EYFS and Key Stage One children are escorted by parents or carers to their drop off points on the playground in the mornings. We have had a few incidents where children have got a bit upset and confused.

Tonight I know my husband will be wearing his tamo'shanter and we will be sitting at the opposite ends of the sofa. Come on England-bring it home!

This week's attendance superstars are:

**FSC 100%**  
**2W and 2KM 100%**  
**5B 99%**

This week's points totals are:

**Ireland = 963**  
**Morrison = 899**  
**Welton = 1133**  
**Wilfrid = 888**

## Non Uniform Day Friday 18th June

It was great to see all the children today in their non-uniform! We do enjoy seeing the children's own style! Please remember, if you haven't already done so, do donate to the KPA, who amongst other things, are fundraising for some new playground equipment for KS1 and KS2. We are hoping to look at some new wooden trim trails! Its not too late [DONATE HERE](#)

We have already raised more than **£760!**

Lastly, if you have not yet completed the KPA questionnaire, please do that here—the KPA are thrilled with the responses so far but would love some more! [HERE](#)

**Thank you for all your support!**

## Reading Raffle

This week's winner is:  
**Thea 2W**

## Sports Week 21st—25th June

Following Mr Johnson's announcement on Monday schools have been given advice on whether sports days can still go ahead this summer.

With rules over events and gatherings remaining in place until at least July 19th, we have had to work out what realistically can and cannot go ahead. Additionally the Department for Education has been offering settings some guidance. Sadly, despite our best efforts we cannot put in place effective mitigation to hold sports days this year. Luckily, Mr KostECKI and the sports team have organised a fantastic sports week with lots of opportunities for the children to get engaged in a range of sports. **Remember it will be sports kit all week!**

## PE Stars

This week's winners were:

**Eesa 1RT**  
**William 5B**

## Year 2 Fact Files

This week in Year 2 we have been learning all about past and present explorers! We have been researching about David Attenborough and Bessie Coleman to create a non-fiction information poster about them. Our research has informed us of who they are/were and what they are famous for. We also discovered lots of wonderful and interesting facts all about their lives. Here are some facts we'd like to share:

- Did you know David Attenborough was knighted by the Queen at the age of 59 in 1985?

**SIR DAVID ATTENBOROUGH**

Sir David Attenborough is famous for his videos about animals. David was a TV presenter.

**Early Life**  
He was born on 14th May 1926. He collected birds and insects when he was young. Did you know he was born in London?

**Dreams and Education**  
He wanted to be an actor. When he was in university he studied zoology.

**Work**  
He worked at the BBC. He was a TV presenter. Did you know he made a TV show called Blue Planet?

**Impact**  
David Attenborough was knighted by the Queen because he taught people about animals.

**SIR DAVID ATTENBOROUGH**

Sir David Attenborough is a TV presenter and he will continue to work about the best animals for all animals because David is very exciting.

**Early Life**  
When he was a little boy he collected birds and insects because David loved animals. David Attenborough was born in London but grew up in Richmond.

**Dreams and Education**  
David had a great education of zoology with animals and getting them on roads. He is still known for his voice and many people say he is happy to it.

**Work**  
Sir David Attenborough still works for the BBC and he was the first to show the natural world. David was knighted by the Queen in 1985.

**Impact**  
David Attenborough changed the world by making people love animals. David was the first to show the natural world and many people say he is happy to it.

- Did you know Bessie Coleman was the first black, Native American, female pilot?

Both of these inspiring people have had a positive impact on the world which we have enjoyed learning about. Here are some of our non-fiction posters we've created.

Year 6  
Year 5  
**Dillon**  
Year 4  
**Eleanor**  
Year 3  
**Tvisha and Luke**  
Year 2  
**Ellis**  
Year 1  
**Foundation**

### Diary Dates

- 23.06.21** New class teacher letters
- 02.07.21** Reports home
- 05.07.21** Transition Y6 to KMA (on line)
- 09.07.21** Last day of term

## School Places 2022

### Starting Primary School

If you have a child who was born between 1st September 2017 and 31st August 2018 inclusive then you can apply for a school place for 2022 online now.

Just visit this [link](#)

Applications need to be made by January 15th 2022 and place allocations will be confirmed on April 15th 2022.

We will be running some open sessions for parents in the Autumn Term, full details of which will be shared after the summer.

If you would like any support in completing this process please contact Mrs Marsh in the School Office, who will be very happy to help.

## Rosa's Amazing Fairy Garden

Rosa in 1W and her mum built an amazing garden during the lockdown. She planted it to attract fairies to her garden. This year it has flowered and Rosa loves the fact that it has roses in it. We thought it was just beautiful. Rosa said she is keeping a close eye but hasn't seen a fairy .. yet!

## Discovery Awards

Congratulations to Lily Bartlett, Dhyan Basra, Miss Scott, Miss Lenton and Miss Parrott who have all been nominated for the Discovery awards. We are delighted that they have. The awards ceremony is tonight at 7pm and we wish them all the best of luck.

To tune in to see if they are lucky follow this link.
