

## School Newsletter

9th July 2021

Issue: 37

As we finally arrive at the end of a very long and eventful year, I wanted to say how deeply proud I am of our whole school community and how well we have supported our children and each other.

Although we have all kept hopeful that things will improve we have had to face up to huge challenges; adapting to new ways of working and the mental and physical pressures of not knowing what was around the corner. It is as a community that we have thrived and I think we should all be proud of our contribution, our care and our kindness to each other. I hope that we all get some time to rest and recuperate but above all to have chance to spend time with our wonderful children. I would like to take this opportunity to thank you for your ongoing support during this academic year. It has been a very challenging year for all involved however you have done a fantastic job supporting us to keep your children learning.

I know that this week the most important piece of news is that football really could be coming home ... but also... the Prime Minister set out details of the final road map step (step 4) as we transition out of lockdown. Subject to a final review of the data next week, legal restrictions will end on Monday 19th July. From this point on, the government will continue to manage the risk of serious illness from the spread of the virus. This will mark a new phase in the government's response to the pandemic.

All being well, controls that currently apply in school will be changed in response to this step. The guidance has just been released to all schools; however, this leaves Leicestershire schools with three days before the end of term. We now need to read, digest, plan and communicate the guidance and update our risk assessments for a return in August. Please be assured that the new guidance will be implemented thoroughly and communicated to you, along with the school's approach to organisation and routines the week prior to children returning to school on Wednesday 25th August 2021.

As I know this will help you to plan your school uniform purchases, our intention will be to return to full school uniform including children changing for PE in school. Please see [this link](#) for a reminder of our school uniform rules.

I would like to say a huge thank you to Mrs Sharp for her huge contribution to so many children's education here at Kibworth, she is a legend who managed to retire just in time for her granddaughter Eliza who was born this morning. We also say goodbye and thank you to Mrs Wade who lives in the village so we are delighted that we will still see her around. We thank Mrs Healey for all the extra cleaning she has done and for keeping us all safe during the pandemic.

We are delighted to welcome back Mrs Lopez to Year 1. Miss Evans joins the brilliant Year 2 team and Miss Bruce joins us permanently after her super placement in Foundation.

I would like to congratulate all the children who today won achievement certificates. Well done! You have all been recognised for doing more than anyone thought was possible! And.. whilst I am congratulating everyone we would all like to wish Miss Baker a wonderful wedding, enjoy every moment and we will look forward to welcoming you back as Mrs Clarkson.

Finally good bye Year 6! You have been a fantastic group of pupils and we wish you all the best at your new schools in the new phase of your lives. Remember to keep making me proud.

Have a lovely summer everyone!
