Issue: 14

Christian Value: Joy

Learning Behaviour: Participation

Worship Theme: Advent

The highlight of this week has definitely been the fantastic Year 2 Christmas performance. It was so lovely to welcome parents into school and for us all to see how hard the children had worked to provide us with such delightful Christmas entertainment. The singing and acting was superb and made me smile so much. A huge thank you to all who attended for taking lateral flow tests and wearing masks. We have our final concerts on Monday and in line with the government's updated advice we have put a new risk assessment in place. If you are coming to the concerts - either in the morning or afternoon - please make sure you have read our letter and that you call in at the office before the concert if you are exempt from wearing a mask.

The Year One children had a brilliant time at The Curve watching 'The Smeds and The Smoos.' It was a lovely trip and all the teachers told me they were really impressed and proud of the children's behaviour and their enjoyment of the production. Thank you to everyone who had to wait to pick up their child in the freezing cold. We were assured they would all be back in time but traffic was a real problem.

We have lots to look forward to in the last week of term. The children looked so lovely dressed in their Christmas Jumper outfits that I have sent a parentmail to all Year 1 parents to ask if they can come in their lovely outfits again on Monday for the concert. The children have all been busy making hats for our Christmas Dinner Celebration on Wednesday - thank you all for booking this in advance - as you can imagine it is a mammoth task for our lovely kitchen staff to produce 500+ festive lunches. Christmas parties are taking place towards the end of the week—details elsewhere in the newsletter and we are all looking forward to joining the Key Stage 2 classes for their Carol Concert on Thursday.

Phew! I am sure there will be even more fun and seasonal joy as the week progresses, so I am hoping to get a good rest this weekend!

## Christmas Jumper Day

Year three have loved Christmas jumper day today! They have enjoyed listening to some of their favourite Christmas songs while wearing their festive jumpers and accessories. Year 3 have also had decorations day this week! We spent some time making bobble hat tree decorations from cardboard and wool, snowflake Christmas crowns and Christmas cards. There were some tricky instructions, but the children persevered to make some beautiful decorations. They enjoyed choosing their own colours to make some festive patterns.

The Department for Education liked our Tweets of Christmas Jumper day so much they even asked if they could re-tweet on their own website!
