

School Newsletter

28th January 2022

Issue: 19

Christian Value: Love

Learning Behaviour: Independence

Worship Theme: What is Love?

As January comes to a close, we are starting to see a little more light in the sky and what a difference that makes to all our lives. Although Spring isn't on our doorstep the first signs are on their way and it lifts the heart a little.

This week has seen us busily preparing for our Wellbeing Week with a tremendous range of activities arranged in school for the week beginning 7th February. This week really gives both pupils and staff a chance to reflect on their own wellbeing and understand how important it is and a range of activities that can help. Our whole week would not be possible without the support of the Kibworth Wellbeing Team and Rachel and Sarah in particular. If you would like to join their group or offer support please contact the school office.

In school, we have had some volcanic activity this week. Year 3 have been making volcanoes and seeing how they erupt using household substances! There was plenty of 'bubbling lava' but luckily no ash cloud. Amongst the fun, the children have been also seeing the serious side of people living near volcanoes and have been learning about the damage that has been caused in Tonga.

We have been delighted to finally get our year 5 children off to the Space Centre today. They had a great visit and came back enthusiastically sharing their amazing knowledge. I'm sure we'll find out more next week!

Please remember that Parent Meetings are available to book via School Cloud. These are a valuable chance for you to talk about your child's progress with the class teacher. Have a good weekend.

This week's attendance superstars are:

FSDT 97%
2E 96%
3B 98%

'Wear What Makes YOU Happy Day'

Thursday 10th February

To round off Wellbeing Week the children are invited to wear whatever makes them happy and if that includes their school uniform then that's fine with us.

This week's points totals are:

Ireland = 1338
Morrison = 1286
Welton = 1185
Wilfrid = 1030

Pray for Schools

Pray for Schools brings together, people from at least 4 different church communities, to pray for all that our local schools mean to us.

Here are some Inspiring quotes from this week's meeting;

Jn 1 -Jesus invites his followers to where he is staying, they bring others and so the message of love is spread

Jn 17 -Jesus prays for us and gives us his love and glory within us so we can stand firm and unite for all that is good.

Jn 8 - God doesn't label or condemn us, nor should we judge others. We are all wonderfully and beautifully made.

🙏 We lift our eyes to You and You pour out your spirit afresh

🙏 for the teaching in our schools, which builds the understanding of faith, love and acceptance

🙏 For where there are struggles with staffing levels, cover for breaks and planning.

🙏 SEN provision at this difficult time

🙏 Blessing of His Peace

Amen

This week's winners is:

Max 3B

PE Stars

This week's class winner was:

3L

Well done for showing our Sports values

Year 2 - Getting Messy!

In Year 2 this term, we have been enjoying our 'Muck, Mess and Mixtures' topic and reading George's Marvellous Medicine! In Science we have been busy learning all about different materials and their properties as well as exploring them through experiments: we really enjoyed testing lots of different materials to see which would be the most effective and absorb the least water. We also have learnt about what a solid object is and discovered how to perform a fair test. In English, we are really enjoying reading George's Marvellous Medicine and sharing our creative writing. We have been busy writing our own chapter of when 'Grandma Gets the Medicine' and thought of lots of crazy, wonderful ideas of what could happen to her. We also have been exploring instruction writing and this week we have been writing our very own instructions for our own marvellous medicines!

Cross Country Race Invitation Thursday 3rd February

All year 3 to year 6 children are invited to take part in the second Harborough Cross Country race of the season. The event is to be held at Market Harborough Football Club on Thursday 3rd February.

It is a great opportunity for children of all abilities. Whether you are looking to test yourself and get a fantastic sense of achievement upon reaching the finishing line or want to be challenged by other competitors, this race is for you.

If your child would like to take part please refer to the Parentmail sent on Tuesday (26th) and complete the permission form.

Mr K is looking forward to meeting you at the start line.

Half Term Activity Camps

We are very sorry that Discovery are unable to provide a half term camp in February. Here are some alternatives you may like to consider.

Year 6

Darcey

Year 5

Erin, Ella and Samuel

Year 4

Year 3

Leo, Jay and Stanley

Year 2

Rosa

Year 1

Iris

EYFS

Eddy, Avery and Sonny

Diary Dates

02.02.2022 FS & Yr 6 Measurement programme

07 - 10.02.2022 Parent Meetings

07 - 10.02.2022 Wellbeing Week
