Learning Behaviour: Enthusiasm Christian Value: Love Worship Theme: Celebrating Love

Another half term has rattled past and it seems unbelievable that so has half of the academic year. It has been a very busy half term and it has been fantastic to have our week focussed on wellbeing. The children have really enjoyed the range of activities over the week from Wakey

Shakey sessions, sharing wellbeing books, trying yoga, learning calm through meditation or the firm favourite of Toast and Read it has been a real hit. Of course, none of this would be possible without the support of all our staff and the Kibworth Wellbeing Fund so a huge thank you to all of them for ensuring the week was such a success.

Finally, 'Good Luck' to all the children taking part in the Harborough District Cross Country finals this weekend. We are all very proud of you.

I hope everyone gets to do something fun over half term and you all come back a little refreshed and ready for Spring.

Children's Mental Health & Wellbeing Week Theme : Growing Together

A huge "Thank You" for all your donations. So far, we have raised an amazing £196 for the Kibworth Mental Health & Wellbeing Fund. You still have time if you wish to donate via your child's Parentpay account. We would like to thank the Kibworth Wellbeing Team, the KPA who

kindly donated £300 alongside the Wellbeing Fund's £300 for some lovely new books on wellbeing and also Kibworth Books for supporting us. Here are a flavour of some of the activities form the week: Year 5 really enjoyed taking some

time out to enjoy reading our books each day. It was incredibly calming and relaxing as well as enthusing us about the different books out there. We also loved the tasty snack that came along with this-especially the

Year 2 have been discussing how they have grown and how we can continue to grow together. We have planted a daffodil seed to

care for and watch it grow.

Year 4 included clay work into their wellbeing week by designing, making and evaluating clay potion pots for their Potions

juicy apples!

Topic. There were some excellent designs and all the children had lots of fun with the clay! Year 3 have enjoyed setting goals for our-

selves to help us to grow and 'Reach for the Stars'. We have also planted our own seeds to look after and to watch bloom and grow into beautiful sunflowers. For Year 6, the high-

light had to be Thursday morning. We gathered in the hall for a morning of toast and reading. On the tables, we were lucky enough to find some brand-new books bought for the school by the KPA and wellbeing team. We thoroughly enjoyed our relaxing start to the day and can't wait to see these books in our library! The Foundation children

have enjoyed taking part in daily yoga sessions, wellbeing story sessions with a biscuit, toast and read and wearing what makes them happy. They have thoroughly enjoyed the week and it has been lovely to see all the smiley faces. Year 1 have had a great well-being week. The children enjoyed planting a sunflower seed and we have set a challenge on Tapestry for children to look after their flower over half term. We cannot wait to see how tall they grow!

This week's attendance superstars are:

Year 1 Superheroes to the rescue!!

Year 1 have had a fantastic term of being Superheroes. They have so much fun taking part in Superhero hunts, making Supertato vegetables and completing missions using their 5 senses. Last week the children were excited to start their learning of Su-

pertato which ended with them writing their own Supertato story. On Wednesday this week, the children came to school dressed as their favourite hero for Superhero Day! 'My favourite part of the day was coming into the class and everybody seeing my outfit', said Elsie. After receiving a letter from the Superhero Headquarters, the chil-

dren were given 3 senses missions to complete. They started with an exciting Superhero exercise and dance class in the playground. After break time, they became code crackers and had to solve the mystery sentence. To end the day, they had to help Mrs Paterson create a new Superhero for the school. They thought carefully of the qualities they would like their hero to show and the different ways their hero could show the values of respect and love.

Year 4 - Science Knowledge

The children enjoyed showcasing their "States of Matter" knowledge from this half term's Science lessons. They made board games to show what they have learned. Joe enjoyed making the board game so much he made his own over the weekend! The rest of 4W enjoyed playing it.

Prayer Group Meetings

Please join us on Tues 15th at 8pm to celebrate our schools and share our joys and hopes for our children's futures, Join Zoom Meeting **HERE**

> Meeting ID: 556 293 0725 Passcode: WellPrayer

Midday Manager Information can be found HERE Lunchtime Supervisor Information can be found HERE

DISCOVERY

Win a £50 book token

Our teacher training partners at Inspiring Leaders are running a competition for children to design the sort of teacher they would like. The winning designs will be displayed to encourage people with those qualities to apply for teacher training.

Design a Teacher Competition @inspiring|leaders

It could be you're looking for creative, knowledgeable, musical people or any other qualities. Get designing and they might be in a school near you!

Prizes are on offer including a £50 book voucher Posters can be handed to the school Office

Closing Date: Friday 25th February For full details see the attached flyer

12th - 25th February 2022

Year 6 Freddie, Freddie and Jesse Year 5 Seth and Christian Year 4 Daisy, Ivy, Isaac and Ethan Year 3 Oscar, Dhyan and Krishaan Year 2 Ethan, Malak and Amelia Year 1 Kysan EYFS Primrose

21.02.2022 pupils return to school
