

School Newsletter

25th February 2022

Issue: 22

Christian Value: Justice Learning Behaviour: Perseverance Worship Theme: What is Justice?

Welcome Back! I hope you all had an enjoyable half term despite the stormy weather. I am happy to report that the school survived virtually unscathed and hope that your garden fences and roofs also survived.

I am pleased we have been able to restart our after school clubs-it has been great to see the children enjoying them so much.

We were thrilled to receive our copy of the Kibworth Chronicle in school this week and very proud to see that our year 6 children have received even wider recognition for saving the trapped deer last month with the front page article.

Thank you to Mrs Rowland who has worked with The Well in Kibworth to organise the school to become a foodbank collection point-please see details below.

As we welcome more visitors back in school, it was a joy to have teachers from a variety of schools visit classes today to see how children are developing their use of technology as part of our work as an EdTech Demonstrator school.

We are extremely sad to see the situation in Ukraine and will be allowing some time next week for children to reflect on their thoughts and offer our prayers to all those affected.

Lastly, we have had people enquire about the removal of all covid restrictions and how this will affect schools; although this is no longer a legal requirement, adults and children who test positive are still advised by the government to self-isolate and we thank you for your support with this. Have a wonderful weekend—let's hope it is not so windy!

This week's attendance superstars are:

FSC 99%
1L & 1RT 99%
4W & 5C 100%

Food Bank Drop Off Point

We are delighted to announce that there is now a collection basket for The Well Food Bank in the school foyer. We are proud to be a local collection point for this and support the fantastic work that The Well do with vulnerable families in our community.

Any items from their shopping list (below) would be gratefully received by The Well and the families they are supporting.

Tinned meat (steak, mince, chicken), tinned tuna, tinned veg (carrots, peas, potatoes) instant mash, vegan items, pasta sauce, cartons of fruit juice (not fresh), cordial, long life milk (semi skimmed), long life puddings/desserts (rice/sponge puddings), custard (tins or cartons), ketchup and mayonnaise, tinned fruit, jam, sugar, instant coffee and tea bags, toiletries (shower gel, shampoo, deodorants, toothpaste, soap), sanitary products, washing up liquid, toilet roll.

Please place any donations in the collection basket in the school foyer. Thank you.

This week's points totals are:

Ireland = 2129
Morrison = 1877
Welton = 1814
Wilfrid = 1732

New arrivals for Foundation Team

Congratulations and best wishes to:

Katherine Cartwright and her husband Nathan on the birth of their son, Oscar.

Owen Morgan and his partner Ellie on the birth of their daughter, Matilda.

We look forward to seeing them visit soon.

Happy 60th Birthday

Yesterday saw our very own Mrs Carson reach a significant milestone.

Congratulations and best wishes from everyone at KPS.

We hope you had a lovely day. Thanks for the cake!

Reading Raffle

This week's winners is:

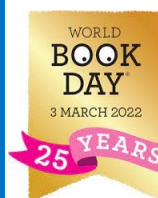

Elysia 3B

PE Stars

This week's winners are:

Albert 2W
Amelia 3B

World Book Day

To celebrate this year's 25th anniversary of world book day on **THURSDAY 3rd MARCH** we are inviting the children to dress up as their favourite book character. The children will be having a parade of their costumes within their own year groups. We hope the children are as excited as we are to celebrate the wonderful world of books.

Year 2 Wiggle and Crawl

Year 2 have begun our new topic 'Wiggle and Crawl' this week! In our first introductory topic lesson we began to classify photos of animals in different ways; big or small animals, food groups, meat eaters or plant eaters. We then learnt new key vocabulary 'Herbivore', 'Carnivore' and 'Omnivore' applying our knowledge and skills of classifying to these classifications. We are looking forward to continuing our exploration of different animals as we learn to classify in other ways and understanding more about food chains. To apply this knowledge to a context, we are excited to go to a local pond to find different species of minibeast and investigate their habitats.

Year 6

Noah, Bella and Micah

Year 5

Rosie

Year 4

Chloe

Year 3

Sophie, Filip and Harry

Year 2

Martha and Sterling

Year 1

Matilda, Eleanor, William and

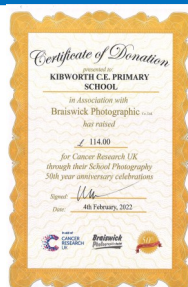

Betsy

EYFS

Oscar and River

Fundraising update

A huge 'THANK YOU' to everyone who purchased school photographs before Christmas. We have now received a cheque for **£114** to send, on your behalf, to Cancer Research UK

Also, a huge 'THANK YOU' for your generosity during Wellbeing Week. The total raised for the Kibworth Health and Wellbeing Fund on "wear what makes you happy" day was **£329**

Well Done Evan!

During the half term holidays Evan in Year 3 competed in a national golf competition held at La Manga golf resort in Spain. It was a three day competition where he was playing in the under 12 category against some of the best young boys in the country. He had a fantastic time and played incredibly well. He secured a second place finish - what a brilliant achievement, we are all very proud of you.

County Cross Country Finals

We would like to give a shout out to the children who represented our school as well as the Harborough District in the County finals held at the Harborough Showground on Saturday 12th February.

Once again, a massive 'well done' to the children for their commitment and dedication. Also a big 'thank you' to the parents for taking them to the event. We are super proud of you all: Darcey 3B, Poppy, James, and Archie in 4N and Alfie 5S.
