Christian Value: Love Learning Behaviour: Independence Worship Theme: Wellbeing: Growing Together

This week we had a visit from a Headteacher from a Northamptonshire school who came to get some inspiration for the direction of their new school. Whilst taking them around I was inspired to see just how much progress the children are making, the pride they show in their work and most importantly the joy which they have for learning. They are really a credit to you and our school.

It was lovely to receive an email this week from Darcey in year 3 with an update on her fundraising for the Alzheimers Society. She raised an amazing £350 by selling her postcards at Christmas. Thank you to everyone who brought a pack.

Also this week, I received a commendation from a resident about the maturity and bravery shown by some of our year 6 pupils who requested assistance from the Fire Brigade when they saw a young deer in difficulty by the railway tracks. Well done Tom, Theo, William, Josie and Isla - we are all very proud of you!

I am also delighted to say we will be able to start clubs again after half term so please look out for the information on Parentmail.

Please remember that parent meetings are next week and that we will close for the Half term holiday on Thursday. It's been good to see some sunshine this week. Hope it shines over the weekend.

Perfect Attendance!

Children's Mental Health & Wellbeing Week

Theme : Growing Together

We are looking forward to our wellbeing week next week. The teachers have planned a range of activities based around the theme of Growing Together. Activities include 'Snack and Read' - this will involve spending a longer time having a relaxing read whilst eating a piece of toast, some fruit or a snack all provided by school and the Kibworth Wellbeing Team; growing their own plants; wakey shakey exercise sessions; mindfulness and 'wear what makes you happy day' on Thursday 10th. We are also thrilled that Kibworth Books are supplementing our in-school activities with a range of carefully curated book choices, all aimed at supporting children's mental health and wellbeing. To browse and purchase any of their recommending titles, visit their dedicated wellbeing page at [Children's - Wellbeing - Kibworth Books](#). Alternatively, following its relocation and expansion, the bookshop have set up an instore book display in the new dedicated children's room, with book choices geared around Children's Mental Health Week. Please do consider popping by to see them at Kibworth Books, The Barn, 29 High Street, LE8 0HS. We would like to thank the bookshop for supporting us—it is fabulous to have them in our community.

If you wish to contribute to the Kibworth Mental Health and Wellbeing fund, who help to fund our week, you will be able to do this through your child's ParentPay account.

This week's points totals are:

Ireland = 1908
Morrison = 1668
Welton = 1664
Wilfrid = 1568

PE Stars

This week's winners are:

Mark FSDT
Nancy 3S

The 2022/23 and 2023/24 term dates have now been uploaded onto the website [HERE](#)

Year 4—Seven Trent Water Visit

On Tuesday a gentleman from Severn Trent Water Company came to our school and taught us lots of fantastic facts all about water, it was super interesting! We learnt that 70% of the world is water and shoes and jeans are even made from water too! When you drink a glass of water have you ever thought how old it could be? Our visitor said it could be older than the dinosaurs because of the Earth's water cycle! We also learnt that we can only survive 3 days without water, he said that is the same amount of time as dogs!

He talked about how water was used throughout different ages and some of the children got to dress up and act out parts of the story. It was great to see the costumes! The children had to explain how water was drank during their time and the rest of us had to guess if the water would be safe or not! We had lots of fun! It was really lovely to have a visitor come to school because we haven't had many due to covid! **By Chloe 4W**

Year 5 - Space Centre Visit

Last Friday, Year 5 had the best time visiting the National Space Centre in Leicester. Due to our current topic being all about

Space, this enthused us all even more and we got to amaze the staff with how much knowledge we already had. All three classes took part in a workshop that taught us all about what life would be like as an astronaut, such as their rigorous training programme, the dangers they face during a spacewalk and even what they do if they need to the toilet during a spacewalk!

"My favourite part was the planetarium because it was just so cool and looked amazing as the film was shown over your head. It actually felt like we were all being spun around with G-force at times"

Jack F

My favourite time was being able to go around all the different exhibitions and learns so many facts. We even got to look through telescopes to see how scientists discovered Pluto" **Seren**

"I loved the rocket tower because each level was filled with different amazing facts about space and the Space Race. Additionally, we also got to see a birds eye view of a real rocket"

Rowan

I liked the exhibition that was called 'In to Space' as there were so many interactive, fun things to do such as flush a real space toilet and go inside a mini version of the ISS" **Tia**

Cross Country Results

Yesterday, our amazing athletes took part in the Market Harborough Cross-Country second race, displaying resilience, determination and a drive to succeed. Our children have made us very proud, seeing extra curricular opportunities slowly being integrated back into their lives, and seeing those children making the most of this amazing opportunity! Mr Chambers

Also a massive congratulations to these following pupils that performed at a superb standard and qualified for the Harborough District Final Cross-Country Championships 2022:

Year 3 and 4

Darcey - 3B

Poppy - 4N

James - 4N

Archie - 4N

Alfie - 5S

Year 5 and 6

Year 6

Joseph and Ollie

Year 5

Rhys and Maisie

Year 4

Iris

Year 3

Year 2

Joseph and Kyle

Year 1

Harvey

EYFS

Dorothea, Arla and Archie
