Christian Value: Forgiveness Learning Behaviour: Ambition Worship Theme: Why is Lent important to Christians?

This week it was lovely to welcome the Open The Book team from St Wilfrids. It has been such a long time since we were able to work with our friends from the church. The children really enjoyed the visit and are looking forward to welcoming Rev Fremmer next time.

Year 2 braved the changeable weather to go pond dipping at Rookery Close. It is lovely to utilise all our local resources again. The children found that the pond was full of life and much excitement was had by all.

Thank you to everyone who has donated to our food bank collection point in the reception foyer. This week we have been asked to request Easter treats such as Easter eggs, crème eggs or Easter cakes and particularly tinned meat. If you are able to include an item for those in need in your shopping then please send them into school next week. We will make sure any kind donations make their way from the classrooms to the collection point.

This week we have all seen the children in Year 4 getting ready for their performances next week. It is brilliant to see themselves all enjoying their production, singing, acting and dancing roles. We can't wait to see the show!

This week's attendance superstars are:

**FSDT - 95 %**  
**1RT - 99 %**  
**4H - 98%**  
**5S - 98 %**

We shall also be finding out about the words of Nelson Mandela and Martin Luther King. We will be reading the stories 'The Good Egg' and 'Bert's Little Secret.'

## Year 1 Enchanted Woodlands

Year 1 have had a great term. For the past few weeks, in English, the children have been learning about different woodland creatures as part of their Enchanted Woodlands topic. The children have learnt a range of facts about foxes, hedgehogs and badgers. They have been using their Year 1 skills to create different information booklets about the creatures. The children have included some super vocabulary such as carnivore and nocturnal in their booklets, as well as some great drawings of the animals.

## Covid Update

Restrictions have been lifted from today but unfortunately there are still COVID cases within schools in Leicestershire and Harborough and we all need to play our part in preventing any outbreaks within our school.

Children and young people who are **unwell AND have a high temperature** should stay at home and avoid contact with other people. They can come back to school or Tiger Club when they no longer have a high temperature and they are well enough to attend.

## Sports News

This week five boys from year 2 and year 3 went to an event organised by Leicester City Football Club Academy. The children had a fantastic afternoon at the amazing LCFC training ground at Seagrave. There were around 70 Leicestershire pupils at the 2hr session, and they were put through their paces by the LCFC In The Community Coaches. They did numerous drills and played a 7-a-side game to finish. All the participants were very enthusiastic and had the opportunity to demonstrate their skills, a chance they will never forget! Well done boys.

During the month of March, we've been encouraging the children to be active and also raising awareness of how exercising positively affects our health and well-being. Lots of children and staff members in our school, took part in "Move it March" challenge. We would like to give a special mention to Amber, in year 4, who has not only been super consistent with her activity routine but also combined it with fund raising. Her "Walking for Refugees" Campaign enabled her to raise the amazing amount of £115 as well as staying active and healthy.

Well done Amber! We are very proud of you.

Mr Kostecki
