Worship Theme: Malala

We are delighted that four nominations from Kibworth have been shortlisted for the Discovery Awards. The winners will be announced at the award ceremony on Thursday 23rd June. Good luck to Evan in Year 3 for Physical Fitness, Sophie in Year 3 for Community Partnership, Mrs Donahue- Parker for the Amy Richards Award for Happiness and Joy to Life and Mrs Butwell for Inclusion. The nominations were highly competitive, and Mr Stone sent a special message to say he is extremely proud of their efforts.

A massive thank you to all the Year 3 parents who supported the cake sale for Ukraine. Your cakes were amazing and the team raised nearly £200 and were absolutely delighted by the number of cakes their classmates donated. You are a very generous group of parents, thank you for supporting the children, it felt like one of those special moments when we had really moved on from all the rules of the pandemic. Frances, Rosa, Eden and Freya have many more ideas for ways in which we could support children in Ukraine so watch this space!

Year 1 have had a brilliant time at the zoo today. I was delighted to see the children all had sun hats and parents had applied sun cream in preparation for the sun. Teachers will always try and keep children in the shade on hot days or under shelter in heavy downpours but your support in providing appropriate clothing is hugely appreciated.

Next week is also sports week so the children are welcome to come to school in their PE kit all week. Mr K and the team have managed to get a huge range of sports clubs to come to the school and give the children a little taster of different activities. On Thursday we have the KS2 Sports Day and the KS1 Sports Day will take place on Friday. You will have all received a Parentmail with more information.

Year 6 have been busy practicing their performance of 'The Pirates of the Curry Bean'. It sounds brilliant and we can't wait to welcome back all our Y6 families to our hall. We have some tickets for both performances available on a first come first served basis. Please phone or mail the school office if you would like to book seats. Year 2—Explorers!

Year 2 have been super excited to begin their learning all about Explorers! They have even begun learning about what it is like to be an explorer. Last week, they were given a compass and had to identify the directions of North, East, South and West. They had lots of fun giving directions to their friends, using the correct language to get from one part of the playground to another. Then they used chalk to draw their own compass and label it on the ground.

In the next few weeks, we are going to use this knowledge to extend our learning further to understand different parts of the world. This will include learning about the United Kingdom, 7 continents and the oceans. They are also looking forward to meeting a real-life explorer to tell them all about the adventures they had when they were out exploring.

Prayer Meeting

1 John 4:18 perfect love drives out fear

Praying today under the Christian Value of Courage. We find glimpses of that perfect love where Jesus' example is lived out

☑ We give thanks for Mr Tait's initiative to give the children ownership of their environment, taking pride in it. We hope this brings an unexpected blessing in your homes too .

☑ Giving thanks for all the teaching, learning and initiatives to raise awareness. We see that perfect love in striving to overcome injustice, our young people gifting love powerfully to those in need and distress in many different ways.

☑ For the open afternoon/evening at both schools. For a spirit of collaboration between families and school to nurture all our young people.

☑ For reassurance through changes, following so many pressures on staff and students during this term.

Amen

This group welcomes all of any faith or none to drop in at 9 am every Monday

Sports News

This week, some of our pupils participated in the South Leicestershire Athletics Finals, taking part in running, jumping, throwing, and relay events. On what was a fantastic day for both the pupils taking part and the parents/carers that made time in their day to support, Kibworth placed 1st within the Year 3/4 events and 3rd for the Year 5/6, giving us an overall placement of 3rd out of 16 schools! We were 4 points away from taking 1st place overall and for that we are very proud. Several of our athletes placed first in their given event, and all pupils displayed courage, resilience, and the determination to succeed and should be proud to set such high standards for our younger pupils to not only follow, but look up to.

Everyone that took part were positive role models to this school. Well done to you all.
