

SPORTS SPECIAL

28th June 2022

The children had a brilliant time during Sports Week at school. They really enjoyed being extra active and having opportunities to try new sports. We would like to give a massive thank you to all the external sporting providers for their support, guidance and encouragement throughout this week. Both the staff and pupils had plenty of praise for these activities and the help local clubs gave to our school. We were also able to recognise how brilliantly our pupils displayed our school values.

Foundation

Foundation Stage had a brilliant Sports Week. We played cricket, rounders and completed an obstacle course. Children loved their dance class and followed the instructions really well. They had a brilliant Sports Day on Friday and were all so sensible showing how much they have matured in the year they have been at school. Great sport Foundation!

Year 1

On Monday 20th June Year 1 kicked off the start to Sports Week by learning some super dance moves. They learnt a section of a dance and had fun performing it together. On Friday 24th June Year 1 had a great time joining in with KS1 sports afternoon. They showed off great teamwork and their sports skills which included: running, jumping, throwing, and kicking.

Year 2

Children have had a brilliant Sports Week where they have learnt new skills and tried out different sports and activities. Throughout the whole week they have shown us engagement, courage and a passion for sport. From shooting bow and arrows in archery to shaking their hips in dance; the children even raced Miss Evans to try and beat her in a mile run! We are super proud of all the effort and fun the children had.

Year 3

For Sports Week, Year 3 have taken part in an array of activities. They learnt some expert Taekwondo moves for self defence, they practised their aim at the archery and participated in a range of competitive events at Sports Day! For Sports Day: they tested their strength at tug of war, completed a circuit to earn points for their house and they competed in a series of racing, throwing and jumping activities to become champion of Year 3!

Year 4

Year 4 have loved taking part in Sports Week again! They have been busy taking part in tennis, dance and rounders activities in their classes and it has been wonderful to see so many of them demonstrating great courage and resilience, especially with sports they may not be so confident with! Lots of the children were pushing themselves out of their comfort zones - the support and teamwork they shared together was fabulous, not just for each other but for the teachers when they joined in with them too!

Year 6

For Sports Week, Year 6 had the exciting opportunity to visit the Kibworth Golf Club and practice their skills with a golf club. Although we found it difficult to hit the ball at the start, we soon got into the swing of it and we were all able to drive the ball onto the range. Our golf coach was excellent (he'd agree so himself, wouldn't you Mr Norton?!) and ensured that we were all able to brush up on our skills and are now all ready to take on the Masters!

Year 5

This week, Year 5 have thoroughly enjoyed Sports Week. We've participated in a range of activities from tennis to karate and loved every second! Our highlight has been the tennis as it taught everyone how to control their hits and be accurate when trying to hit it. We had the opportunity to play a lot of games, including 'king/queen of the court' where we had to try and land shots into each other's areas without them returning it. We were very lucky to have a hot, sunny day, which made it even more enjoyable- it was ACE! Thank you, Mr K, for organising such an amazing week!

At the end of the week, we held Sports Day which all children loved. It was great to see all the parents supporting children as well. We know it has been a difficult time over the last couple years and being able to bring a sense of normality back, in which parents/carers were able to cheer on their children was a fantastic way to round off the week. We hope everyone has enjoyed themselves and are well rested.
