Christian Value: Hope Learning Behaviour: Participation Worship Theme: Celebrating Hope

Huge thanks to the KPA for agreeing to fund coaches enabling us to take all children in years 1-6 to the pantomime at Christmas. They will also be funding a performance in school for our foundation children. The KPA are also going to fund new equipment which will be used by all children at play and lunch times. A huge thanks to all those working so hard to provide such lovely experiences for all the children.

I would like to take this opportunity to thank Rob Woolston who has stepped down as Chair of our Advisory Board. I cannot thank him enough for all his hard work and dedication to the school. He has been a tremendous support and his advice and insight into the world of architecture has been invaluable. Rob has very kindly agreed to stay on the Board to assist our new Chair Andrew Petersen. Andrew became a governor as he has a background in educational support and management and is really interested in getting more involved with the community in Kibworth, and the School as a central part of that.

Andrew works in Higher Education so is really interested in how the governance of the school can really contribute to improving outcomes for students. Andrew lives in Kibworth and has two boys who are currently at our school. You can contact Andrew directly at apetersen@dsatkibworth.org or via the Trust Clerk.

Board minutes are available for all AB meetings. Requests should be directed to the Trust Clerk clerk@discoveryschoolstrust.org.uk

Finally can I encourage all Y1 and Foundation parents to attend the phonics information session at 6pm on Tuesday in the school hall.

This week's attendance superstars are:

FST - 100 %

2M - 100 %

3S - 99 %

6R - 99 %

This week's points totals are:

Ireland = 1256

Morrison = 1899

Welton = 1780

Wilfrid = 1494

Parent Teacher Meetings

Next week we shall be sending out invites for parent teacher meetings. We are hoping to be able to make appointments which suit all parents by offering face to face meetings on the 11th of October and virtual meetings on the 12th of October. Please keep your eye out for the letter explaining how appointments for both days can be booked online.

Year Six—Family Worship

Next week we are delighted to be able to meet together to celebrate the end of our focus on the Christian Value of Hope.

This has been a really useful value to explore as we begin a new term and think about our hopes for the new school year.

The Christian understanding of hope is much deeper than our everyday use of the word can be. We hope that it will not rain for the picnic, or that the car will start or that the plumber will come tomorrow. Hope generates energy and sustains people through difficult times.

All parents of Year 6 children are invited to attend our first Family Worship of the new school year on Wednesday 28th September at 9.10am in the school hall.

Reading Raffle

To be in with a chance of winning a £5 book token next week make sure your child reads everyday and it is recorded in their reading diary.

Year 3— Scrumdiddlyumptious

This week Year 3 have been busy applying our Science and DT learning to create a balanced meal as part of our 'Scrumdiddlyumptious' topic. We started by re-researching existing products to find out what we liked and what we could make even better. We decided we wanted to ensure that our pizzas had all of the main nutrient groups: carbohydrates, protein, fats and oils and vitamins and minerals.

We then headed over to the kitchens to begin using our cooking skills. We learnt how to use the bridge technique to safely chop and prepare ingredients. After that, we rolled our dough out and evenly spread our ingredients. We hope the children enjoyed making and eating their very own pizza!

FS and Year 1 phonics evening

Please come and find out how to support your child's reading on Tuesday 27th September at 6pm in the school hall.

FS & Year 1 Phonics Evening

Anyone who has not already signed up through the ParentMail form to attend, it would be really great if you could confirm your attendance and we look forward to seeing you there. It will really help you to support your child with the most important skill we teach at school—reading!

Asha Ambassadors

This week we held the first meeting for our new Asha Ambassadors. Mr Briggs will be going out to work at the charity in Delhi at half term and the children were able to see how they can support them to develop education facilities for the children in the poorest areas of the city. Amreece, Will, Matthias and Astrid represented our school really well and have already come up with several ideas which

will help children at our school to work toward the UN sustainable development goals. ASHA fortnight at school starts on the 24th October so the ambassadors will let us all know about their fundraising ideas over the next few weeks.
