

## School Newsletter

4th November 2022

Issue: 8

Christian Value: Peace

Learning Behaviour: Care

Worship Theme: Remembrance

Another busy week in school has flown by. We have had a very successful visit from our school improvement partner David Briggs. He was very impressed with the way reading was taught to the children in keystage 1 using our new reading books. Thank you for all your work at home helping us to keep reading at the forefront of all we do. A huge thank you also to our KPA and all the volunteers who helped to provide such an enjoyable, if rather warm, time at the disco last night. I hope everyone has a super weekend and remember always follow the fire-work code, be safe not sorry. Find more information [HERE](#)

### Joint Fundraising Day

Thank you to everyone who has contributed in anyway to our Joint Fundraising day. Our Global and Sports Ambassadors and School Council have done an excellent job in organising the day's activities. The children have enjoyed wearing their orange and spots and pyjamas. The breaktime cake sale was a great success—thank you to all the kind bakers.

This afternoon the children have undertaken their sponsored run. Everyone put in an amazing effort completing as many laps as they could of the Fun Run Track. It was a hive of activity and Mr K and his team did an amazing job at ensuring everyone took part and provided motivation for all the runners. We are very proud to say all our activities and sponsorships have raised an amazing **£838.36** A fantastic effort!

Don't worry if you still want to donate sponsorship for the run you can still do so via Parentpay.

### Year 3—Tribal Tales

This week Year 3 have eagerly starting our new topic 'Tribal Tales' where we will learn all about Prehistoric Britain. We started by exploring when the Stone Age, Bronze Age and Iron Age happened. We tried to space out our timeline to show just how far away we are from Prehistoric Britain! We then started to investigate some of the key features of each of the ages. We first explored cave paintings and flint by torchlight to imitate the Stone Age. We then learned how bronze was made from a mixture of copper and tin, giving the Bronze Age its name! Finally, we learnt about hillforts and their defensive ramparts. We even practised defending our Iron Age hillfort using the height of the fort to our advantage!

### Reading Raffle

To be in with a chance of winning a £5 book token next week make sure your child reads everyday and it is recorded in their reading diary.

## Year 4— Aylmerton

What an amazing time we had at Aylmerton. The children displayed exemplary behaviour and were a real credit to Kibworth Primary School. One of the main activities that we loved was the mud walk on Thursday afternoon. There was slipping, sliding and feet and legs being covered in mud! Let's not forget Mr Swingler falling flat on his back and being covered in mud! Also, we loved the disco! There was non-stop dancing, singing and happy faces all evening! Our day at Cromer was also fantastic. We loved looking out to sea whilst enjoying our ice creams and digging massive holes and creating sand sculptures on the beach. Overall, Aylmerton was an absolute blast and we were so lucky to have fantastic weather!

## Leicester Diocesan Board of Education CHRISTMAS CARD DESIGN COMPETITION 2022

As Christmas is now around the corner the DBE are running their popular Design a Christmas Card Competition. This gives children the opportunity to design the Christmas card that the DBE will use as their official Christmas card that will be sent out to all schools, DBE partners and friends! Good luck everyone!

### How to enter:

Designs can be hand drawn, painted or electronically produced. You can use A5 or A4 paper in either be landscape or portrait format. Add child's name and School clearly on the back and return to school by Friday 11th November.

### Prize:

The prize for the winning design is a £10 book token and the design made into the DBE Christmas card.

## Pray for Schools

 Isaiah 40:29-31

We trust that as we turn to worship and giving thanks, God will strengthen us all to keep going through difficult times

 Giving thanks that we have a strong community. Children pulling together to support charity this week. Support groups and neighbours, colleagues and friends bringing blessings to each other.

 For those who reach out to families in crisis, give strength and wisdom

 Giving thanks for the skills and support available, to share expertise, through the Trust we belong to.

 A blessing on the preparation for the open evening, welcoming new starters and their families

 A blessing on those seeking to offer a Christian presence at KMA and future plans to support young Christians in Kibworth and the surrounding villages.

 Giving thanks for super attendance and hoping for continued good health for all. Amen  
Amen
