

School Newsletter

18th November 2022

Issue: 10

Christian Value: Peace

Learning Behaviour:

Light

Worship Theme: Enthusiasm

This week we were delighted to welcome Mr Briggs back to our school with his guests Freddy Martin and Dr Richard Hogben from Asha. They came to school to tell us all about how the money raised at the fun run would be used in New Delhi. Our Global Ambassadors Will, Matthias, Astrid and Amreece showed everyone around our school. The visitors loved our new values tree and passports. During assembly the ambassadors presented Freddy with a cheque for £415. We have sent a figure for the same amount to today's Children In Need appeal. Thank you all again for supporting the children to raise such a fantastic amount of money.

Please remember to book through the link on the parentmail if you would like a ticket to join us on decorations day. So that we have space for all please could we ask that you just book for one session.

Perfect Attendance!

This week's attendance superstars are:

Well done all!

FSM—97%

2RP—98%

4W—98%

6H—98%

Is it a Guinness World record?

In maths Year 5 have been learning about the compact method of multiplication. One of the teams set themselves a challenge to create the longest ever multiplication calculation. They were so successful that they are going to write to The Guinness Book of World records to see if theirs is the longest multiplication ever! Well done!

Year 1 Space Day

Year 1 have had a brilliant day. Amazingly, they received a letter from an Alien explaining that he had crashed his own rocket and needed the help of all the children to build a new rocket so that he could zoom back to his own planet. The children have been learning about instructions in their English

lessons and were able to write some fantastic instructions to help the alien. Thank you to everyone for helping the children enjoy the day in their super costumes. A special mention must go to Miss Edwards for her brilliant costume.

HOUSE POINTS

This week's points totals are:

Ireland = 5327

Morrison = 5623

Welton = 5580

Wilfrid = 4583

Reading Raffle

To be in with a chance of winning a £5 book token next week make sure your child reads every day and it is recorded in their reading diary.

You can make a difference

Many of the children have been learning about the 2022 United Nations Climate Change Conference or COP27. Which is being held from 6 November until 18 November 2022 in Sharm El Sheikh, Egypt. Lottie, Mary and Aarian have been raising awareness of the need for all of us to take responsibility for being kind to the world. In particular they have been encouraging us all to stop using Fossil Fuels.

Operation Pied Piper

Operation Pied Piper was the codename for the evacuation of children to the countryside during WW2. With the threat of war looming, the British government were concerned that German bombing would cause many civilian fatalities, so they knew they had to come up with a plan to protect the lives of the British people especially the children.

Operation Pied Piper begun on 1st September 1939 and nearly 2.5 million children were evacuated to new homes in the countryside away from the cities. Some were even evacuated by boat to as far as Australia, Canada and New Zealand! It was an upsetting time for evacuees, leaving their families behind, but many enjoyed the chance to explore their new homes and get away from the confines of the cities.

On the opposing side, children in Germany were also evacuated due to bombing raids on cities by the RAF. Many children were, like Britain, sent to the countryside away from the cities. However, there were underlying ulterior motives: many children were sent to youth camps where they took part in military drills and were exposed to Nazi propaganda.

Prayer Meeting—Monday 14th November

Praying and giving thanks for all those shining their light into dark places

🙏 Teachers growing understanding through thought provoking and interactive Assemblies on Anti-bullying

🙏 Those collecting items to give generously to others who are less fortunate this Christmas

🙏 Staff and others who are helping students and families with loss of confidence since lockdown and offering links to support agencies

🙏 Thankyou for the power of this witness to the goodness in our community

🙏 A blessing on those who are stepping out to shepherd and recognise the good fruit in everyone

1Peter 5:2 be good shepherd's of the flock given to you, not because you must but because you are willing

Sports News

Thursday the 17th November saw our amazingly talented footballers take on 5 different schools at Market Harborough Town Football Club. In every game our girls displayed great determination, impressive teamwork, and incredible sportsmanship throughout, shaking hands with the opponents after every game and always being respectful.

With this incredible attitude our players managed to win all 5 of their matches, scoring 11 goals on the day and conceding 0! This was down to hard work and support for one another, whilst doing their best not to get frustrated when taken off as a substitute in the cold weather!

I would like to give a HUGE thank you to all of the families/carers that took the time out of their day, whether that was to stay and watch the matches, encouraging and supporting the girls, or just taking the time to transport their children, it was massively appreciated and I think the girls thoroughly enjoyed themselves and came away from the day proud. Many thanks,

Mr. Chambers and the PE Team.
