11th November 2022

Issue: 9

Christian Value: Peace

Learning Behaviour:

Confidence

Worship Theme: Remembrance

I have been so proud of our children this week. They have listened with great thought and reflection as we have learned about the tradition of remembering those who died in conflict. Revd. Andy visited on Wednesday and talked to the children about his own family experiences of Remembrance and read a beautiful poem he had written.

The Creative team and our EYFS children worked with Miss Hancock and Mrs Tamgumus to make some beautiful wreaths which are now on display at The Well and in this morning's assembly we all watched a video Jason in Year 6 had made which was very poignant. Thank you Jason. Today we thought that the children all looked very smart in their uniforms and look forward to watching them in the parade on Sunday.

We have decided to put our much missed decorations day on again this year. We delayed making the announcement as at half term Covid rates in the area had risen sharply and we wanted to keep everyone safe. Fortunately the rates have not climbed so, with some restrictions on capacity, we hope to welcome you all into school on to work with the children and enjoy a mince pie and cup of tea with us on Friday 2nd. Please follow the instructions sent by the office to book your place.

This week's attendance superstars are:

**FST-96%**  
**2M-98%**  
**3C-98%**  
**5C-100%**

### Cross Country

We had a year 5 pupil compete at the Leicestershire and Rutland Schools cross country league on October 28th which took place at Prestwold. He ran against 120 other year 5 boys from primary schools across Leicestershire, Leicester city and Rutland and placed 31st. An amazing effort on a muddy course!

### Music Making with LGS

On Thursday, pupils in KS2 were treated to a visit from Leicester Grammar School's String Quartet. They were joined by some of our own talented musicians to firstly practice a joint performance. Once they were ready, the LGS pupils then performed some of their musical pieces, including Bobby Shaftoe. Mrs Barker talked to the children about the composition of the music and the children became musical detectives! Following this, our pupils joined the LGS pupils for their joint rendition of Edelweiss. Mr Barker conducted the orchestra and Mrs Barker joined them on the violin. It was a fabulous performance with violins, cellos and a bassoon and there were many smiles in the hall. We would like to say a huge thank you to Mr and Mrs Barker and to all the pupils at LGS

### HOUSE POINTS

This week's points totals are:

**Ireland = 4762**  
**Morrison = 4860**  
**Welton = 5095**  
**Wilfrid = 4001**

### Reading Raffle

To be in with a chance of winning a £5 book token next week make sure your child reads everyday and it is recorded in their reading diary.

Jamie - 3C

### Odd Socks Day

Thousands of children and adults across the UK are going to be wearing odd socks on Monday 15 November and there's a really good reason why! It's the start of Anti-Bullying Week. Mrs Marks and Mrs Torpey will be leading an assembly on Monday morning and the children will have the opportunity to show off their odd socks to symbolise that we are all different and that children should be themselves, accepting of one another and celebrate difference. So go on everyone, find a pair that just don't match and wear them on Monday.

## Year 5— Scream Machine

This half term year 5's topic is 'Scream Machine!' We started our learning by going to our very own fairground in school with some exciting games for us to try. In Geography, we have explored the attractions and facilities that theme parks have and why theme parks are placed where they are. Thinking carefully about the location, population, terrain and temperature of the UK and USA. In Science, we have started to learn about the forces rollercoasters use. We know why gravity is important and created a sway all about Isaac Newton – Scan the QR code to have a look at our learning! We are looking forward to creating our own rollercoasters later this half term!

## Primary Maths Challenge

On Wednesday, a group of pupils in Y5 and 6 represented Kibworth Primary School in the National Primary Maths Challenge at Welland Park Academy. They were joined by pupils from the Harborough District and following a training session last week, sat the challenge in exam conditions! Judging by the training booklet, it was a tough challenge and we are very proud of all who took part. Well done to all of you.

Let's see if any make it through to the Bonus Round in February... Fingers crossed!

## Class Chaplains - Prayer for Peace

This week Liz and Caroline from St Wilfrids came to run their regular session with our Class Chaplains. They spent time in our Peace Garden discussing this month's Christian value - Peace - and composed a special prayer to ask for Peace.

Help us to finish the challenges that life gives,  
To be the best that we can be.

To be helpful, respectful and to encourage peace in others

Help us to seek peace in hard times, in our inside and our outside

Help us to be the peacemakers by respecting and forgiving,

Help us to grow up to have generous, grateful hearts to bring peace into the world. Amen
