Today, we have had a real celebration of sparkle and I think everyone put on their best bright and sparkly clothes and did a fantastic job to remember everyone's friend Mrs Lakin. It was delightful. Thank you for your kind donations towards our remembrance bench. I am delighted to tell you that we have

raised over £1000. We will now arrange a fitting time to dedicate a bench for the children to use.

Today we also held our end of Term celebration assemblies. During it, teachers identified someone from each class who has made a tremendous effort with their learning over the term and they received a special certificate to mark this. Well done to all our winners.

All the children and staff had a fantastic time at the pantomime at De Montfort Hall. It was so lovely to see everyone enjoying themselves, smiling, singing and joining in with all the pantomime jokes. The whole school community would like to say a massive thank you to the Kibworth Parents Association for paying for the coaches and the interval ice lollies.

This term has gone very quickly and I would just like to thank you all for your support during this year. Have a great Christmas. See you on Wednesday 4th January.

Christmas in Year 1

Year 1 have had a super end to the term with lots of Christmas magic. The children listened to the story of Stick Man and used different resources to create a beautiful piece of art work. Then we all had a wonderful time at the theatre to watch the pantomime Cinderella. We also had a special visit from some FS children who were excited to see our DT Moon Zoom cards. We definitely spread the sparkle today in Year 1 for Mrs Lakin with lots of glitter and sequins.

Shoeboxes for Homeless People

One of our families have been working hard to fill shoeboxes to contribute to a charity that works with Homeless people. They included essentials for living on the streets, but also include some Christmas treats too, people who are homeless are in much need of something to bring a smile to their face or make them realise that even strangers are thinking of them, it makes such a difference. They said it's not only a very humbling experience but also encourages empathy and gratitude and I'm proud that she gets involved every year. Great work.
