

School Newsletter

20th January 2023

Issue: 16

Christian Value: Respect

Learning Behaviour: Drive

Worship Theme: How can we show respect?

A huge thank you to all those lovely parents, carers and children who have wished me good luck and relaxation when Easter arrives and the next stage of my life begins. Your kind thoughts made me think about how much I will miss this very special school. We now have an advert out for a replacement headteacher and Andrew Peterson, as chair of the advisory board, will be ensuring that the person appointed has a good overview of the needs and desires of our school community.

Next week, Bobby Beaumont from OPAL will be in school observing play and talking to the children about how they would like to develop our school grounds. Mrs Fisher has already collected a huge range of wood, tyres and toys but she will be asking us to find many more things in our lofts and sheds as the project gains momentum.

Booking details for parents meetings on the 7th and 8th of February will be sent out on Parent Mail next week so please book an appointment as soon as possible.

Where has the Prayer Post Box gone?

Ask the Chaplains

Perfect Attendance!

This week's attendance superstars are:

FST -99%

1TD & 2M-100%

4S-100%

6R-99%

Y5 and Y6 Basketball

On Tuesday some of the Y5 and Y6 children were selected to take part in a basketball competition at The Robert Smyth Academy. We are pleased to say they were unbeaten in all games and were champions, in one game they even won 14-0!

Jason Kirby in 6H was chosen as player of the tournament.

On the way home Mr K broke the trophy, but it has since been fixed.

Well done to all those who took part, we are so proud of you!

HOUSE POINTS

This week's points totals are:

Ireland = 891

Morrison = 1079

Welton = 1061

Wilfrid = 1475

Great Writing in Y2

Year 2 have been writing about the Magic Medicine George made for his Grandma. They thought of some really yucky ingredients **and when Grandma** swallowed it she grew extremely tall and burst through the roof. Really great writing and beautiful pictures.

Reading Raffle

To be in with a chance of winning a £5 book token next week make sure your child reads everyday and it is recorded in their reading diary.

100% Attendance Award

We are pleased to announce the introduction of a new attendance award. All children who have achieved 100 % attendance for the previous week will now be entered into a raffle for a £5 book voucher.

Attendance is hugely important as it leads to success.

Today's winners are:

Lola York 4S & Eleanor Twynham 2M

PE Stars

This week's winners:

Charmaine 1H

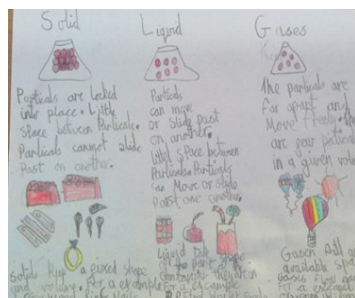

Jessica 4S

Solids, Liquids and Gases!

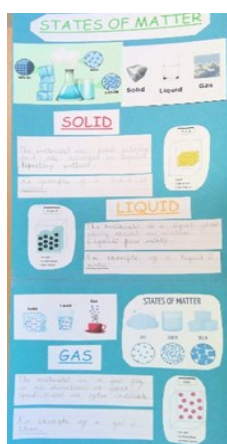

Year 4 have been learning about states of matter in Science. We have heated chocolate and butter in our hands to find out what happened. Luckily, our teachers put them in little plastic bags so there was not too much mess! This helped us to understand that some changes in a materials state was reversible because after it went from a solid to a liquid we put it in the fridge and it became solid again. We are now experts on the properties of solids

Liquids and gases! We created posters and information pages to share our new knowledge.

Then we learned something disgusting! Did you know that the water you brush your teeth with is millions of years old and a dinosaur could have drunk it..... and you know what happens when you drink water! That is thanks to the water cycle.

08.02.23 Parent Meetings

17.02.23 Y1 Grandparents Tea Party

17.02.23 Last day of term

Prayers from our Monday Prayer Group

Dwelling in the words, respect and patience. Neither are passive. We must strive with God's help, to give time to listen and notice those who's voices are overlooked. Taking the initiative to "love one another," as Jesus taught us.

🙏 For planning for Mental Health and Wellbeing week. For those around us who come alongside us with respect and nurturing

🙏 For attendance at both schools. Let all our families experience and value all that the school community has to offer.

🙏 Help us to strive to respect our own mental health and well-being, taking the initiative to find peaceful spaces in our day.

🙏 For signposting to helpful agencies in these difficult times. Hoping that all in need will find connections to appropriate support. Amen

We have the same school shoe policy as Kibworth Mead

Proper black, polishable school shoes must be worn and laces must be black

No trainers or 'trainer looking' shoes are to be worn

Boots may only be worn for safety reasons when there is extreme weather.

Not Acceptable : Shoes with coloured logos or edging (i.e. Vans), high-top trainers, sandals, boots, open-toed shoes, plimsolls or other canvas shoes
