

School Newsletter

27th January 2023

Issue: 17

Christian Value: Respect

Learning Behaviour: Participation

Worship Theme: How do we show Respect?

We have had a super week in school with much to celebrate including the wonderful performance of the choir at Young Voices. Next week we will celebrate the talents of our children in the Evensong performance at St Wilfrids and in our Respect Worship

led by Year 3 on Wednesday.

Next week we will also have the opportunity to celebrate how the children flourish at our school when we have our Statutory Inspection of Anglican and Methodist Schools (SIAMS) Inspection. All Church of England and Methodist schools are inspected approximately every five years by a SIAMS inspector from the Church of England, although there has been some delay due to Covid. Our Inspector Mrs Joy Hardy has written a letter to explain about the inspection which we will send out to you all on Monday.

I know many of you are concerned about the impact of strike action by NEU members scheduled for Wednesday. I will keep you all updated as soon as I know exactly what impact the action will have in our school for your children. I will support our teachers in their decisions but please be assured that we will provide care for your children even if we are unable to provide their usual education.

I hope you all have a super weekend!

Perfect Attendance!

This week's attendance superstars are:

FSC - 98%

2RP - 99%

4S—100%

5B—98%

Celebrating Young Voices

The students of Kibworth Primary School who took part in Young Voices yesterday experienced and created such joy. One of our parents wrote 'I watched in awe as a choir formed of 5000 voices joined together to declare that they are loved and valued.'

It has taken a huge amount of work and time to create this moment. As well as fund raising, having to raise over £800 for the coach to make this happen. Helen Collins,

the choir lead, put in hours of work to create this opportunity. It takes people like Helen, Zoe, and Robin to go above and beyond to create these moments for our pupils.

Thank you so much to Kibworth Creatives for creating such an opportunity for the pupils and the parents!

HOUSE POINTS

This week's points totals are:

Ireland = 1359

Morrison = 1685

Welton = 1490

Wilfrid = 1824

Reading Raffle

To be in with a chance of winning a £5 book token next week make sure your child reads everyday and it is recorded in their reading diary.

Rosa—3S

PE Stars

This week's winners:

Annie—1H

Poppy—4W

100% Attendance Award

We are pleased to announce the introduction of a new attendance award. All children who have achieved 100 % attendance for the previous week will now be entered into a raffle for a £5 book voucher. Attendance is hugely important as it leads to success.

Today's winners are:

Billy 5B & Jude 1TD

Change to the lunch menu on Wednesday

LTS, who run our school meals service, have informed us that they are altering their offer this Wednesday. With all the uncertainty around both pupil numbers and staffing levels, in all their schools, they have decided to change the menu across the whole service. So, on Wednesday all children will be offered;

Jacket Potato served with Cheese, Baked Beans and Salad, With either a Short-bread Cookie, Fresh Fruit or Yoghurt as a dessert.

Pupils with specific medical diets will be catered for by providing them with a dish from their own bespoke menu nearest to the above.

Algorithms in Year 2

This week Year 2 have been super excited to start using some very special guests in their computing lessons! BeeBots! The children have been learning about and following different instructions. They have discovered that the instructions have to be clear and precise to get the person or object to follow them correctly.

They've learnt to use algorithms to teach the BeeBots where to go. They have used the buttons forwards, backwards, left and right to help them with the directions. The children have had lots of fun creating instructions with a partner to discover where their BeeBot will end up.

They are looking forward to creating their own maps to guide the BeeBots around as they continue their learning on algorithms.

Prayers from our Monday Prayer Group

Matt 6; 7-12 Ask seek knock. The Father gives to us abundantly but we must continue to pray, bringing all our concerns to him.

✚ A blessing on all our children and young people and those seeking to meet their needs in our schools.

✚ For staff, parents and prayer partners, recovering from surgery and suffering illness and for maintaining wellness in school, physically and mentally.

✚ This week's Advisory Board.

✚ For the leadership teams, managing change and stepping into new roles. Especially Mrs P the blessing of a new phase, knowing all the nurturing and growth she has seen and been an instrumental part of

✚ Ongoing plans to start a Christian group at KMA

✚ Giving thanks for improvement continuing at KMA and their concern for the danger faced by our young people from drug abuse
Ps 62:12 unfailing love Amen.
