Christian Value: Justice Learning Behaviour: Initiative Worship Theme: How fair is Justice?

Well we certainly weren't expecting so much snow in March when we started this year. My apologies to those who were inconvenienced when the school was forced to close today. Now, as I write, sun is streaming in through my window and the snow is melting fast but when our Premises Officer carried out his inspection at 6:30 he couldn't get to school in his car and the driveway was treacherously slippery.

I don't think the Ancient Egyptians experienced such chilly weather either! Despite the snow and sleet, Year 3 children had a brilliant experience day on Thursday, thank you as always, for your support with these events which enable children to think about what it was like in the ancient world. This week on my travels around the classrooms, I have been delighted to see children really thinking about the development of their maths skills and how to apply new knowledge to solve problems. I think one of the strengths of the school is the children's fluency with number and thus their ability to calculate accurately. I particularly noticed this when I observed children tackle their Year Six assessments with terrific determination and confidence.

I hope you have all been able to access the learning tasks on Teams or Tapestry and I look forward to seeing everyone back in school on Monday.

Year 2 News - 'Wriggle & Crawl'

This week Year 2 have been super excited to start their new topic 'Wriggle and Crawl'.

They have been exploring and classifying animals into groups; some sorted them into food groups, some sorted them into meat and plants eaters, and some put them into big and small animals.

The children then learnt about herbivores, carnivores and omnivores and the created different actions to help them remember which animal belonged to which group. The children then went on to explore a simple food chain to show how a predator and prey passes on energy. To consolidate their learning further they had lots of fun playing on Kahoot with their classmates.

They are looking forward to expanding their knowledge to find out more about plants and animals through investigating and observing beans and butterflies. What an exciting season for us to be exploring!

Year 3 - Egyptian Day

Year 3 enjoyed their Egyptian Day yesterday! They walked like an Egyptian down the catwalk, learnt how to read and write some hieroglyphics, followed clues to find King Tutankhamun's tomb and guessed what organ was inside each canopic jar! They also learnt that Ancient Egyptians used to throw the brain in the bin or feed it to the cats! (3S photo to follow once they get back into school!).

Prayers from our Monday Prayer Group

Micah 6:8 Act justly, love mercy, walk humbly

For the appointment of a new Headteacher. Who will continue to build a school community where all have the opportunity to fulfil their potential

For our young people to grow into citizens with awareness of others, empowered to stand firm for all that is good and true

Matthew 9:10-13 we see Jesus sharing in hospitality with those considered unworthy or unacceptable

Help us to also see the good in everyone. Acting out our faith in the images of justice Jesus always showed.

Amen

Sports News

This week saw our brilliant Year 5 and 6 footballers back competing in the league.

Our objective was to go there and show them we were two teams not to be underestimated! That is exactly what our outstanding athletes did.

The division one battle saw 3 action-packed matches, with Kibworth scoring 8 goals, conceding none and taking home all three victories! They were a joy to watch, with fast-paced passing and moving, working as a team and showing incredible sportsmanship before, during and after the match, shaking the hands of each team they faced.

Our division two adventure needed harder graft from our pupils, as the opponents came at them with speed and a desire to win. However, after a shaky start, our players began to work as one, finding our strengths and gradually putting the pressure back on their opponents, snatching a victory in our first game in the closing seconds.

The second match consisted of an end-to-end battle, highlighting our brilliant defence and, crucially, the bravery and confidence of our goalkeeper, making sure, like our first squad, we did not concede a goal. Leaving the score goalless and a draw. We bounced back in our final game instantly, scoring a penalty kick and not looking back, displaying their most confident win of the day.

Finally, a massive thank you to all parents and carers who took the time out of their day to support and provide transport to their children and others. I hope the children enjoyed this experience as they were all fantastic, and we are very proud as a school. Mr Chambers

Our dance club led by Miss Evans had an opportunity to show of their skills at a "Big Dance" festival. Our little dancer had a brilliant time performing in The Cube, Corby theatre in front of their friends and family. A great experience, which they will never forget. Miss Evans

Massive congratulations to Freddie in year 4 who last Saturday attended and won the Leicestershire Cross Country County finals. Our champion is super excited and is now getting ready for the national level. We are very proud of you.
