Christian Value: Justice Learning Behaviour: Participation Worship Theme: Is Justice always fair?

It has been a lovely day with a sea of red, wonderful hairstyles and fun activities going on across the school. As the day progressed I realised how sad I will be not to be a part of the great Kibworth spirit any more when I retire at Easter. I hope you have all seen the letter from Andrew Peterson and I letting everyone know that Mrs Nikki Matthew has been appointed as the new head at Kibworth. I am delighted with the appointment as I have known Nikki as a fellow head in the Discovery Academy and always held her in very high esteem. She will ensure the Kibworth spirit continues.

Comic relief hits Kibworth

Huge thanks to Miss Mason, the school council and our amazing kitchen team for putting together such a fun filled day. If you haven't already donated you can do this through Parent Pay.

Year 6 'The British Empire'

In our current unit of Revolution, Year 6 have been learning all about the British Empire and their involvement in the slave trade. So far we have learnt that for Britain, it was important that they were seen as the most powerful country and one way to do this was to colonise many countries across the world. They built the empire rapidly and began exploiting colonies for their resources. We've been discussing one of the most controversial aspects of the empire-the involvement in the slave trade. British traders would exchange slaves from Nigeria for commodities such as rum and weapons. These slaves were then transported across the Atlantic Ocean to the Caribbean where they were forced to work in atrocious conditions to cultivate resources. Once these had been gathered, they were sold for a profit which Britain benefitted from. In our showcase write in English next week, we will be discussing the reasons for and against the slave trade; some of us are finding it tricky to support it! However, Sam has identified that many people fought against abolishing slavery as it made a lot of profit for Britain who only traded resources they already had. He also thinks that rich people in the Victorian times were actually very lazy and found slavery made their lives a lot easier!

Prayers from our Monday Prayer Group

Corinthians 1:20 — New Living Translation (NLT)

20 For all of God's promises have been fulfilled in Christ with a resounding "Yes!"

🙏 So we give thanks that we can be confident in our prayers, asking always for Justice for all to be seen, heard and encouraged to shine

🙏 For the appointment of a new Headteacher to continue in and develop the school vision

🙏 Protection for young people from online abuse through education, technological advances and the law

🙏 Giving thanks for our strong foundation of Faith.

🙏 Blessing of protection, peace and grace, in this "sad, bright" season of Lent.

🙏 Celebrating all the ways we see God blessing us. Especially for those visiting St Wilfrid's next week Amen

Another eventful week with our girls football competition! Our brilliant Year 5 and 6 girls played 4 games, showing determination to win them all and catch the leading school. Although they started in fantastic fashion, winning their first game 3 – 0 they were stumped and frustrated when a well organised team gave them their first loss in almost 4 years!

They kept their heads up however and came into the third game against top spot. Our girls put in in my opinion their best display of football, being the only school out of 11 games to score against top spot, winning 2 – 0 in a very convincing win. Sadly, our last game saw some fantastic goalkeeping ability from our opponents and although we dominated the game, scoring just was not on our side, ending our final game 0 – 0.

As we wait to see the final league standings I would like to personally thank all parents and carers that took time out of their day to support our athletes and provide transport to and from venues. Every member of the team should be very proud of themselves.
