Christian Value: Justice Learning Behaviour: Participation Worship Theme: What is Justice?

It was great to see everyone back at school and hear about what they had all been doing in the half term holidays. On Tuesday, we welcomed headteachers from five local schools who came to look at how learning is made engaging for all learners. They were really impressed with the use of technology, the standard of work and the teachers commitment to making learning engaging. I was so proud of everyone!

This year the Easter Performance will be for all Y4 pupils and will take place in the evening on the 29th and 30th of March.

The School Council are organising a fun day for everyone to raise money for Comic Relief in a number of ways:

- Wear Red and/or have a crazy hair day
- Visit our Hot Dog stand -Tickets £1 (in advance only)
- Class Creative Challenge to Design a Mr Man/Little Miss

We ask for a £1 donation to the Dress down day.

The School Council will be selling Hot Dog Tickets for £1 which will be on sale Monday 13th, Tuesday 14th, and Wednesday 15th March at break time in the Hall. Parents can also purchase the tickets from the school office on those days.

Year 4 - Potion Bottles

Year 4 are very proud to show the finished products! During our Potions topic we made potion bottles out of clay. After investigating existing bottles, we thought about what potion we would like to design and what the bottle to hold it would look like. Some of our potions would: stop time, allow you to talk to animals, make you fly and even teleport you to somewhere else!!

Once we had settled on their final design, we learned about nets of shapes making templates and trying out sizes and shapes. Once we had learned how these folded and made sure we could get our designs the right way up we made boxes to hold our pots which also reflected our potions!

Then the exciting part! We learned how to shape and join the clay and got started. Once dry, they were painted in our planned design.
