Christian Value: Forgiveness Learning Behaviour: Resilience Worship Theme: The Coronation

Another week has flown by and still we wait for the sun. I am hoping that it will appear this weekend to help us celebrate the Bank Holiday. We are now ready to organise all the kind donations from the OPAL Day and Mrs Fisher is looking for budding volunteers on Thursday from gam. If you have some time to spare, however short, please come to the office to meet her. We would be very grateful and can provide refreshments!

Next week, will see us preparing for the Coronation with the children learning about the ceremony, the objects of the investiture and more about our new monarch. We have decorated our school foyer with Coronation information so come in and have a look. On Friday keystage 1 are going to hold a garden party on the field to celebrate, whilst keystage 2 are going to have a street party on the playground. This should get everybody in the mood for the next Bank Holiday. Enjoy your weekends.

Perfect Attendance!

This week's attendance superstars are:

FST - 97%

2RP - 98%

4S & 4H - 99%

5B - 99%

KS1 Floral Display

Back in October, all the children in KS1 planted a bulb in the troughs outside their classrooms. We now think their hard work was really worth it as we have these beautiful displays.

Every bulb has a name label and the children love to find their bulb and see its flower. They definitely bring a smile to your face when you walk past them!

100% Attendance

This weeks winners are:

Kornelia 1H

Evie 4W

Bracelet Making for OPAL

Pupils from Y6 have wanted to raise money towards our OPAL equipment and have been making bracelets during their break and lunch time to fundraise. Last week, they sold their creations to the children in Y5 and Y6 and they raised an AMAZING £70.00.

They have been selling them to Year 3 and 4 children this week to add to their total.

On Friday next week, they would like to sell their amazing bracelets to the children in year 1 and 2. They will advertise in worship this week but if you would like to support them - bracelets cost £1 and come in a wide range of colours and beads. Well done girls!

HOUSE POINTS

This week's points totals are:

Ireland = 557

Morrison = 634

Welton = 770

Wilfrid = 708

Reading Raffle

This week's winner is:

Mabel - 1L

A6 Roadworks to Return! Tuesday 5th May - Friday 5th May

Sadly, we have been advised that Severn Trent have to return and that there will be 4 way lights on the A6 at the junction of Church Road. Please consider how this may affect your journey to and from school. If you are delayed in collection please call the office so we can arrange for your child to be collected from there.

PE Stars

This week's winners:

Hugo - 1L

Tom - 6H

Year 3 - Plants

As part of their topic 'Predators', Year 3 have been learning all about plants and what they need to survive. Each class has planted two sunflower seeds; one seed to look after and provide everything that it needs, and one seed to be kept in the dark.

As scientists, we have observed that the healthy plant is green, and the plant kept in the dark is white so far! They will continue to observe the differences between the plants over the term.

As part of their home learning, Year 3 have created posters to explain the uses of each part of a plant. They learnt how the roots absorb water from the soil and transport it through the plant. This water is then evaporated through the leaves so that more water can be absorbed. The children took part in an experiment to see if they could carefully transport water through a plant themselves!

This week, the children have also learnt that some plants catch and eat insects for their food and are actually predators! The children designed their own carnivorous plants based on some plants that they have learnt about.

Year 6

Eva, Jaiden & Astrid

Year 5

Stanley

Year 4

Evie

Year 2

Henry & Seb

Year 1

Lexi, Emilia, Hazel & Ariyan

Scooters and Bikes

We are very happy to store scooters and bikes but ask children to walk their scooters and bikes within the school grounds.

Thank You

Polite Parking

Request

Could we please remind people who travel to school by car:

To consider our neighbours when parking.

To consider pedestrians when parking

To not drop off in the yellow zig zags (however quick it is!)

Prayers from our Monday Group

🙏 John's Gospel Ch 1:4 Jesus promised to leave us His peace .

🙏 we pray for that peace for the children facing their SATS in year 6 and students taking their GCSEs next month; we pray for that peace for the staff too

🙏 we pray for a smooth transition of leadership for Mrs Matthews and give thanks for Mr Beck's leadership in the interim

🙏 we give thanks for the positive progress of KMA, outlined in the Challenge Partners report, for the hard work of all involved

🙏 We pray for families who are continuing to struggle financially and the pressure it is putting on them,

🙏 Amen 🙏 🌻 🦋 🌈 🤝
