Christian Value: Courage

Learning Behaviour: Initiative Worship Theme: Showing Courage

Firstly, thank you to everyone for being so accommodating with school lunches this week. We have really appreciated everyone's support whilst we got the kitchen up and running again. It is in events such as Tuesday's flooding that you really find out the true nature of the team you have. Whilst we had water running down the driveway, through ceilings and under doors everyone pulled together to ensure that damage was minimised and that school remained operational. We also had a few brave soles who ensured the driveway was cleared of debris. We are very lucky to have such a dedicated team. It was an exceptional effort on an exceptional day! I'm pleased to say we managed to avoid a repeat yesterday!

Thanks should also go to our catering partner LTS, who also ensured that we were still able to feed the children by bringing meals in from other schools.

Ironically, we have a meeting next week with the Department for Education on how to reduce our flood risk. We certainly know where our weak points are!

Have a restful weekend! It's bound to be dry next week - it's Sports Days!

A Message from Mrs Matthew

Over the last few weeks, I have had a fabulous opportunity to spend time in each of the year groups across Kibworth CofE Primary School. This time has been so valuable and allowed me to start to get to know the children and the staff before taking up the position of headteacher in the new academic year.

Cultivating relationships within and across the school community is my priority. There are several opportunities over the final weeks of this academic year for me to start to get to know you too. It has been great to chat to some new and current parent / carers at the Foundation Stage Play and Stay sessions this week and I will also be at the Sports Day events that are taking place on Thursday 29th and Friday 30th June. I look forward to saying hello and seeing more of you at both these events.

Everyone has been so welcoming, and I am incredibly excited about being the next steward of Kibworth Church of England Primary School.

Mrs Nikki Matthew

Year 6 - Enterprise Project

Over the last couple of weeks, the Year 6 children have been undertaking an 'Enterprise' project where they have been tasked with setting up their own business. The children were given the end goal – to create and produce a unique product to sell at a school sale – and were asked to come up with the steps that they would have to undertake to achieve this. The children quickly identified that the first step would be to come up with a viable, cheap, simple and effective product. Having conducted research, each group settled on an idea and were told that they would need to pitch to the 'Dragons' of school to secure funding. So, with detailed costings, a persuasive pitch and engaging presentation, the children faced Mr Beck, Mrs Marks, Miss Hancock and Mrs Fowler; it was a great success and apart from a few suggested tweaks, Kibworth's 'Dragons' were satisfied that Year 6 would bring a great return on their investment. Year 6 are now currently busy making and cannot wait to bring their products to the public. There will be something for everyone, from jewellery to toys, baked goods and homeware!

So please join us on **Friday 30th June at 3:15pm** in school hall to support all of their hard work. All proceeds will be split between the Year 6 Leavers party and a charity of their choosing. Thank you.

Sports News Cricket and Tennis

A busy week for Kibworth athletes with two competitions taking place. First, on Tuesday 20th, 8 children from year 5/6, went to the play off final for the chance to represent Blaby & Harborough district at the County Finals. We played against Old Mill Primary School in a very tense game. After a fantastic display of great skills and sportsmanship, the team came out best

in a brilliant game of cricket winning by 30+ runs. Well done to them all and to Mr Carson who took over coaching our team. Now we are very excited and can't wait to play in the County Finals at Grace Road (Leicestershire Cricket Ground) on the 3rd July. Good luck to them all and we hope they can bring the trophy back to Kibworth.

It wasn't just the cricketers! Our tennis players also secured their place at the Tennis County Finals. That tournament took place on Wednesday 21st June and our team came 5th out of 9 finalists. We are all very proud of our talented children being in the top 5 best team in Leicestershire.

A huge well done to all those involved.

Mr Kostecki
