

This week has been a very successful one. We have seen so many aspects of our school recognised in different ways and a number of achievements to celebrate. Firstly, is the academic success of our year 1 children who achieved 97% in the Phonics Screening check. We are also proud that our Year 2 children who retook the check achieved 100%. This is a brilliant achievement for all those children and shows how hard they have worked to perfect their reading. We have also had the results back from our Year 4 Multiplication Check, which tests the children's rapid recall of their times tables to 12x12. We are very pleased that 99% of our children scored over 20 and an amazing 72% scored 25/25. This is a fantastic achievement and will really help the children's calculation fluency as they move into upper key stage 2. We have also had further success in sport with a great result for our hockey team, which you will already know about if you read a newspaper in the same way as my dad, from the back! We were even more pleased to win the Spirit of the Games award too.

Finally, just a thank you to everyone who joined us for our sports days. It was fantastic to have such a great atmosphere for the children to compete in. I know that all the encouragement really raised their performances. Also a huge thank you to Mr K and his sports team for organising such brilliant events. Don't forget our Open Evening!

Foundation Trip to West Lodge Farm Park

On Tuesday, we all went to West Lodge Farm Park for our first ever school trip. The children were so sensible and we were so proud of them all. They enjoyed going on the play equipment, having a tractor ride around the farm and seeing all the animals.

The highlight of the day was the amazing pig race! It was so lovely to see the children with such big smiles on their faces and they had a day they will never forget.

Well done Foundation.

Sports News - Hockey Finals

We had a wonderful day in Loughborough yesterday when 6 of our children from Yr5/6 represented the school in the hockey area County finals.

We came 2nd overall out of 9 finalist in Leicestershire/Rutland which was amazing. Mr K said, it is the best hockey result in Kibworth Primary history. The winning team didn't lose a game and they were our toughest competition - the only game we lost was to them.

We were awarded 'Spirit of the games' winners too, which highlights what a great attitude they had throughout the competition!

All children showed fantastic effort, sportsmanship and managed to make Mr K very proud!! Mrs Hartley

Sports Day Results

After all the competition over the last two days the results are in and every point has been counted. It was fantastic to see all the effort that the children put into every activity and squeezing every point out of each activity to the final whistle. This years winners are:
